Perfect Health

Is within the reach of almost every woman. The weakness, nervousness and irritability from which so many women suffer is in general due to disease of the delicate womanly organism. When the disease is cured the general health is re-established.

Doctor Pierce's Favorite Prescription makes weak women strong and sick women well. It promotes regularity, dries disagreeable and encumbering humors, heals inflammation and ulceration and cures female weakness. When these diseases are cured, headache, backache, nervousness and weakness are cured also.

"I was very weak and nervous when I commenced taking Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' about a year ago. I felt irritable at all times; was not able to do any of my own household work; had to keep help all the time. How I suffered God and myself alone know. I was greatly discouraged when I commenced taking your medicines, but the first bottle seemed to help me. I took five bottles of 'Favorite Prescription,' two of 'Golden Medical Discovery,' also two vials of Dr. Pierce's Pleasant Pellets. I can highly recommend these medicines to all who suffer as I did. I never had better health than I now enjoy, and it is all owing to Dr. Pierce's medicines."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
