ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1901. Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for entarrah, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.

The basket supper given by Miss Gilka Buss at the Walnut Grove school house was a success in every particular. The program was fine. A large amount of money was raised for the library. WOMER, KANSAS.

Since the last great battle in the Philippines there has not been such a fight as came off at this place last Wednesday. It seems some girl wouldn't go to a party with a Nebraska fellow and another Nebraska fellow was accused of being the cause of the trouble, so they came over to Womer to fight it out on the famous battle grounds. Of course the Womerites are a little sporty and agreed to hold the sponge and see fair play. When time was called one of the noble Nebraskans said the other Nebraskan was a—some kind of a lye, not Lewis lye, but a d—d lye, and that seemed to be the signal to start those noble young Nebraskans in one of the bloodiest battles ever fought on the Womer battle grounds. A few scratches on the faces of the two noble young men and the solemn word of enough brought the fight to a close. Come again boys the town is yours.

Abuse of Mails.

The Nebraska State Journal of last Saturday says: "Lloyd H. Hunter of Guide Rock, Nebraska, seventeen years of age, found himself in serious trouble this morning before Judge Munger in the United States district court, charged with sending obscene matter through the mails. Hunter's father is one of the wealthiest residents of Guide Rock. He is said to be worth about \$100,000. For some time Hunter has been having trouble with one of his neighbors—Through the influence of the two quarreling families the neighborhood has been split into factions. Several days ago young Hunter found a comic valentine. The idea presented in the picture pleased him and he tore off the original verses and added some of his own. This he mailed to the neighbor. Complaint was made at once to the United States attorney. On his plea of guilty the judge released young Hunter on his own recognizance and the father and son returned home this afternoon."
