Tuesday. Mr. McClintock is an old  
resident and prosperous farmer of  
Franklin county.

the M. E. O's gave a banquet in honor

evening was reported by all present.  
Mike Finkenbinder, who lives just  
west of this city, is getting quite a re-  
putation as a weather prophet, having  
foretold some three months ago that  
there would be a rain on either the  
13th or 15th of May. He says we will  
have plenty of rain from now on and  
that we will have a good corn crop  
here this year. May his prophecies be  
fulfilled.  
Last Thursday evening Mr. and Mrs.  
D. J. Myers entertained the members  
of the Home Art Club and their hus-  
bands in a very delightful way. A  
room in the basement of the Myers  
home has recently been fitted up in the  
most approved style as a billiard room  
and the club was invited for the pur-  
pose of dedicating it. The house was  
decorated in cut flowers, carnations  
and roses. The bay window in the  
billiard room was full of blooming  
plants. Various amusements were en-  
gaged in during the evening. A dainty  
course supper was served on small  
tables with a carnation at each plate.  
The party broke up in the wee sma's  
hours of the morning, and as the guests  
departed each thanked Mr. and Mrs.  
Myers for the jolliest time the Home  
Art members have ever had.

it won't take so much  
paint. Our "Abso-

test in this climate for  
years and is the most

About that spring suit. Of course you read  
the clothing advertisements in the newspapers,  
and you get in a quandry as to where you will buy  
the suit. We want all the patronage we can pos-  
sibly get. We would like it if we had a cinch on  
all the clothing business in Red Cloud. We cer-  
tainly sell more clothing than any other store in  
town, and the only reason we do not sell it all is  
because all the buyers do not come to see our  
goods and ascertain the real saving in prices.  
We are not offering \$18.00 suits for \$7.50 nor  
\$15.00 suits for \$6.00 and we never advertise any  
such rot.

This we do. We sell you a better suit of  
clothes for \$7.50, \$10.00, \$12.00 or \$15.00 than any  
where else for the same price. By comparison you  
will find this to be true. The same rate of saving  
applies to our boys and children's clothing. You  
will find our prices on furnishings much more  
reasonable than others. In hats we save you from  
50c to \$1.00. If you investigate we will add one  
more customer to our growing trade.
