GEO. J. WARREN, Chairman.

J. E. KESLER, Secretary.

The Superior Daily Journal of May 19 brings out the name of Captain C. E. Adams as its choice for the Republican nomination for congressman from the Fifth district. The captain is without doubt a man of considerable ability, has a pleasing personality and, so far as we know, has always been a staunch Republican. In the campaign of 1898, although he made a losing fight, Captain Adams succeeded in cutting down the fusion majority in this district over 5,000 votes.

It seems that instinct is far superior to reason or science in many crises, as was shown in the island of Martinique. Birds and snakes and wild animals of all kinds fled from the vicinity of Mount Pelee several days before the eruption took place. Nor is this the only place in the history of such cataclysms in which instinct has been shown to be superior to either reason or science. Maculay states that at the time of the destruction of Pompeii, when "Vesuvius groined with wrath suppress," the eagles, foxes and goats fled to places of safety, while man alone stayed to meet destruction.

By the manner in which the present occupants of the city offices have taken hold of their work it looks as if they were the right men in the right places in each instance. They may make mistakes as all men are liable to, but we believe that so far at least the acts entitle them only to praise. Notice has been given that all alleys must be cleared of refuse by June 1 and all dog owners have been notified that

they must pay their license tax by June 1st or their dogs will be taken up and shot. Preparations are under way to grade Fourth Avenue from Webster street east. It is the intention to extend the city water mains and require the putting in of meters which will give each consumer a chance to pay for only what water he uses and will also stop the shortage of water.

Kansas Drink: Do Some Shooting.

Last Saturday evening a party of hilarious Kansans who had been in Red Cloud and tanked up during the day concluded to have some fun on the road home. When they had crossed the river bridge and reached Jeff Beauchamp's place, one of the crowd pulled a gun and opened up on Jeff's flock of chickens, killing one of them. Jeff started out to reprimand with the slayer of his poultry, but was immediately fired upon and forced to seek shelter behind a friendly tree. Several more shots were fired at him, but he escaped without injury. A little farther along on their road home the Jayhawkers espied a man ahead of them in a wagon and proceeded to take a few shots at him. No one was injured, but the chances are these toughs, if their names can be ascertained, will be warmly welcomed upon their next appearance in Red Cloud.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great woman's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have \$1.00 bottles. For any stomach, liver or bowel disorder Theford's Black-Draught should be used.

Keating Taken to the Penitentiary.

Frank Keating, convicted of assaulting and robbing John Rose, of Rosemont, was sentenced last Friday evening by Judge Adams to serve a term of seven years at hard labor in the state penitentiary. Sheriff McArthur took Keating to Lincoln last Tuesday morning.

The Keating case has attracted considerable attention in Webster county owing to the mass of conflicting evidence and the large number of witnesses summoned by both sides. The crime for which Keating is now doing time was committed on the night of December 4, 1901, and at first no clue to the guilty party was obtainable. County Attorney Overman took up the case and after a thorough investigation succeeded in securing the arrest of Keating at his home in Dakota county, this state, a few days after the crime had been committed. The task of fastening the felony upon Keating was a difficult one, and Prosecuting Attorney Overman deserves much credit for the able manner in which the case was conducted, he having succeeded in securing over fifty witnesses for the state when the case finally came to trial.

Attorney John G. Potter, who conducted the defense, made a hard fight for his client and handled his side of the case in an able manner, but the great mass of testimony introduced by the prosecution could not be overcome and Keating will have to pay the penalty for his crime.

Fred Williams Gets a Light Sentence.

Fred Williams the 19-year-old lad who broke into L. H. Rust's house one day last winter and stole \$5, entered a plea of guilty in the district court, as was stated in the last issue of THE CHIEF. Last Friday evening Williams was taken before Judge Adams to receive his sentence, and after administering some fatherly advice and extracting a promise from Williams that he would lead an honest life in the future, and also that he would correspond with the judge and keep him informed of his movements, Judge Adams sentenced him to five days in the county jail. Williams was almost destitute of clothing, and the judge and other sympathizers with the unfortunate lad made up a small purse and presented it to him before he was taken back to his cell to serve out his brief sentence.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is

the only positive cure now known to the medical fraternity. Catarrh, being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

Time seems most untimely when he brings a woman to the turn of life. Life is or should be at its ripest and best for her, and she approaches this change with a dread of its effect born of her knowledge of the sufferings of other women at this season.

There is not the slightest cause for fear or anxiety at this period if Dr. Pierce's Favorite Prescription is used. It gives health of body and cheerfulness of mind, and by its aid the pains and pangs of this critical period are prevented or cured.

Dr. Pierce's Favorite Prescription is woman's medicine with a wonderful record of cures of womanly diseases. Diseases that all other medicines had failed to cure, have been perfectly and permanently cured by the use of "Favorite Prescription."

"I feel it my duty to write you as I have received so much benefit from the use of your medicine," says Mrs. Lizzie A. Bowman, of New Matamoras, Washington Co., Ohio. "I have taken four bottles of 'Favorite Prescription' for female weakness and change of life. Before I began taking it I could not do anything. I had such pains in my head and in the back of my neck that I thought I would lose my mind. Now I can work every day. I recommend 'Favorite Prescription' to all females suffering in the period of change of life. It is the best medicine I have found."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of all womanly diseases. Do not accept an unknown and unproved substitute in its place.

Keep the bowels healthy by the timely use of Dr. Pierce's Pleasant Pellets.
