Tom Hackett, aged 35, living about a  
mile and a half north of Riverton with  
his mother and brothers, committed  
suicide by hanging last Thursday night  
or early Friday morning. Mr. Hackett  
was subject to fits of insanity, and dur-  
ing one of these spells, about ten years  
ago, he shot and killed his father while  
at the supper table. Care had since  
been taken to prevent his getting hold  
of firearms, but no one had suspected  
that he would take his own life. The  
family is well known and highly re-  
spected in the neighborhood of Riv-  
erton.

Oxford last Tuesday morning to attend  
to some business matters here and for  
a visit with relatives in this vicinity.

is expected to be present at the meet-  
ing of the Masonic lodge this evening.  
There will be work in the third degree.

William Perry, Jr., son of the popu-  
lar bricklayer of this city, left Sunday  
morning for Indiana, where he has  
secured a position in a tin plate fac-  
tory.

A novel feeling of leaping, bounding  
impulses goes through your body. You  
feel young, act young and are young  
after taking Rocky Mountain Tea. 35  
cents. C. L. Cotting

Mrs. W. F. Wetherford of Winches-  
ter, Kan., sister of Rev. T. A. Mer-  
edith, arrived in this city last Friday  
night for a short visit, bringing with  
her Mr. Meredith's little son.

Mrs. Noble Sanford and daughter,  
Mrs. Carrie Campbell, of Axtell, Neb.,  
formerly of this city, are visiting with  
relatives and friends in this vicinity.  
They arrived here last Saturday.

Rev. Dixon, pastor of the Methodist  
church, is seemingly happier than  
usual this week, he being the papa of  
a bouncing baby boy which arrived at  
the parsonage last Saturday morning.

Jacob Nustein this week packed his  
household goods preparatory to ship-  
ping them to St. Joe, where he expects  
to move his family in a short time.  
Mr. Nustein will however conduct his  
cigar business in this city the same as  
heretofore.

Park Perry expects to leave for New  
Whitcomb, Wash., in about ten days.  
He expects to make that city his future  
home. Park's smiling countenance will  
be missed by his many friends, but all  
will unite in wishing him success in his  
new location.

Some miscreant salted the Bloom-  
ington iceman's supply of ice, ruining  
practically all of it and now he is look-  
ing for the individual with a club.  
Twenty-five dollars reward is offered  
for the apprehension of the party who  
did the deed.

William Burdick, living east of this  
city, feels, so inflated lately that he be-  
lieves he will have to leave this coun-  
try and settle where the population is  
less dense, all because of the arrival of  
a 15pound baby boy at his house on  
Thursday of last week.

Mrs. Harry Goble is in the city visit-  
ing relatives and friends. After the  
"shake-out" at McCook a few weeks  
ago Harry left the B. & M. and went  
to Pueblo, Col., where he secured a  
good position with the D. & R. G., his  
run being between Pueblo and Salida.

H. H. Wilson of Lincoln, a candidate  
for the nomination for governor, was  
in the city Saturday. Mr. Wilson has  
a number of strong and influential  
friends who seem confident that he will  
be the nominee. From what we can  
learn he is free from any Bartley taint,  
is a man of good character and a high  
order of business ability, has never  
been in politics and is not connected  
with any rings or machines.

Mr. T. C. Hacker and bride returned  
last Sunday morning from their trip to  
San Francisco and the Pacific coast,  
where they had been on their wedding  
tour. We are informed that in our  
previous mention of the wedding we  
misstated the bride's name. She was  
Mrs. Filora Buchenau of Nemaha  
City, Neb., where she has resided for  
a number of years and is very highly re-  
spected. She had been visiting with a  
daughter in Idaho, and from there she  
went to Ogden, Utah, where she was  
met by Mr. Hacker and they were  
married. They then proceeded on their  
trip to the coast. They will reside in  
the property recently purchased by  
Mr. Hacker on the corner of Seward  
street and Ninth avenue, which had  
been prepared for their occupancy.  
THE CHIEF, along with their many  
friends, extends congratulations and  
wishes them only the joys and sweets  
of a long and happy future.

Why experiment with a  
paint that is "just as good"  
when you can get the old  
reliable HEATH & MILLIGAN  
that has stood the test for  
half a century? I have a  
complete stock.

H. E. GRICE.

During the high wind last Saturday  
night the copper telephone wire be-  
tween Cowles and Blue Hill was broken  
and some miscreant took it upon him-  
self to carry away about fifty feet of it.  
He had better keep himself shady, as  
the telephone company is watching for  
him.

Harry Dickey, the eleven-year-old  
son of D. A. Dickey, met with quite a  
painful accident last Saturday by being  
thrown from a horse. He and some  
other boys were running races and his  
horse became unmanageable. His right  
arm was dislocated and fractured near  
the elbow joint and he was also consid-  
erably bruised up.
