

"Just as well as I used to see."

There is no one little thing on earth that will afford elderly people so much pleasure as to find glasses that will give them good vision after the eyes begin to fail—something that will enable them "to see as they used to."

We especially solicit a call from those whose present glasses are not satisfactory or who have failed to find glass satisfaction elsewhere.

We want to help you see as you used to see.

President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
