Dragging Pains

2825 Keeley St., CHICAGO, ILL., Oct. 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maudie Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

Family Dissensions.

Dissension in families often arises from a lack of mutual consideration among the members of the family. The "soft answer that turneth away wrath" is forgotten for the hasty reply, the unkind retort, that kindle the fire of ill feeling. Love does not linger in the home where rudeness shows its unlovely qualities. It chooses to dwell in the home where the spirit of unselfishness, of self control, of thoughtfulness and of charitableness makes the atmosphere sweet. The woman who is quick to take offense is not like her whom Holy Scripture says, "Her ways are ways of pleasantness, and all her paths are peace." Happy homes depend on happy hearts. Home is distinctively a woman's sphere, and she who sweetens it most makes earth nearer heaven.
