

Women Like Tubulars

WHY?

Every woman praises the simplicity of the

Sharpless Tubular Cream Separator

Because they are easy to feed, easy to KEEP CLEAN, easy to TURN, points every woman who helps about the dairy has a right to insist upon. All other separators run harder than a TUBULAR. They have a great many more parts to WASH and to WEAR OUT.

Let me give you a catalogue and show you the many good points in a SHARPLESS TUBULAR.

If Red Cloud is to have the inter-state reunion this fall the matter will have to be decided soon. While it may seem to many that the G. A. R. is asking a good deal from the citizens, we are of the opinion that it is our duty to once more "dig up" and help the veterans along. They are growing old and their ranks are thinning rapidly, and they should be permitted to have a good time for the remaining years of their lives.

Cecil McCall, who is employed at Peterson's implement house, last Saturday suffered a painful accident. While kneeling upon the floor in doing some work he ran a nail into his knee. He paid no attention to the injury until toward evening, when the knee joint began to stiffen. Examination by a physician showed the knee to be badly inflamed and that there was danger of blood-poisoning. Dr. Cook spent the greater part of Saturday night working to counteract the effects of the blood-poisoning, and it is thought the injured limb is now out of danger.

Death of Erma Townsend.

One of the saddest deaths which has occurred in Red Cloud in many months was that of Miss Erma Townsend, daughter of Mr. and Mrs. Duane Townsend, which occurred last Saturday.

Miss Townsend was sick but a few days. On Wednesday of last week she became ill while at school, and had to be taken home, lingering until Saturday morning, when death came to her relief.

Miss Townsend had been a member of the Methodist Sunday school for about three years, and was deeply interested in the work of the Sunday school and Epworth league. She was a pupil in the seventh grade of the public schools, where she was held in high esteem by her teachers and classmates.

Erma Ruby Townsend was born near Beatrice, Neb., April 30, 1889, and was a few days less than 15 years of age at the time of her death, and though she expressed regret at leaving her father and mother she was willing to go if it was the will of Jesus, in whose love and mercy she had an abiding faith.

Funeral services were held at the Methodist church Sunday afternoon at 3 o'clock, conducted by Rev. Hutchins. There were many handsome floral tributes, among them an anchor and a wreath from her schoolmates, who attended the funeral in a body.

Miss Townsend leaves a father, mother and only brother to mourn her untimely departure.

A. G. Stonebreaker Dead.

Alton G. Stonebreaker, brother-in-law of Mrs. C. L. Cotting, died at his home west of Red Cloud Thursday morning after a lingering illness. A short funeral service will be held at his late residence Sunday afternoon at 3 o'clock, to which friends of the family are invited. Interment will be at Shellrock, Iowa, next Wednesday.

Mr. Stonebreaker was born in Mansfield, Cattaraugus county, New York. At the age of 14 he moved with his parents to Kenosha county, Wisconsin, and in 1874 removed to Shellrock, Ia., where he lived until he came to Red Cloud in 1900. Mr. Stonebreaker leaves a wife and two daughters,

Misses Grace and Ella Stonebreaker, to mourn his death.

The furniture and fixtures in the telegraph office were badly shaken up, even the clock being shocked into silence. The car was nearly filled with cased eggs, which were badly smashed by the collision.

Arrested at Kearney

Mahlon Crow of Guide Rock and Mamie Poltek were married Tuesday. He was arrested there Thursday, and last night the sheriff started for Kearney to bring him back to Red Cloud to stand trial on the charge of wife desertion. Sheriff McArthur will arrive home with his prisoner tomorrow.
