

## Women Like Tubulars

# WHY?

Every woman praises the simplicity of the

## Sharpless Tubular Cream Separator

Because they are easy to feed, easy to KEEP CLEAN, easy to TURN, points every woman who helps about the dairy has a right to insist upon. All other separators run harder than a TUBULAR. They have a great many more parts to WASH and to WEAR OUT.

Let me give you a catalogue and show you the many good points in a SHARPLESS TUBULAR.

### Burglar Caught.

Thursday morning R. Raggart was arrested, at the depot, in Red Cloud, on the charge of burglary of a store in Almena, Kansas, by Deputy Sheriff S. W. Foe. Deputy Foe had been notified by telephone to watch out for the party on train No. 16, due here at 10:35 and was waiting when the train arrived. He also was notified by telegram that party had excess baggage check No. 26686 good to this city. When the train arrived here deputy Foe was watching at one end of the train and Sheriff McArthur at the other. He was spotted by Foe as soon as he stepped off the train, who followed him into the ladies waiting room where he presented the check and asked to have his baggage rechecked, when he was at once placed under arrest and his revolver, which he carried in the breast pocket of his coat, was taken from him. Sheriff McArthur had by this time been notified of the capture and had arrived on the scene; Raggart objected a little to having the handcuffs placed on his wrists; but was soon convinced that he had better submit. He was at once taken to the jail here to await the coming of the sheriff from Almena. Raggart had in his possession, when arrested about \$15 in money, besides his revolver, which was of 38 caliber, a bolt of fine dress goods taken from the store in Almena and which he carried wrapped up, under his arm, and a good and full kit of burglars tools consisting of two electric lanterns, skeleton keys, files, thread, saws and a number of other articles used by burglars. After being taken to the jail he tried to come the baby act by crying and asking the sheriff and deputy to intercede for him saying it was his first offense and etc; but not much stock was taken in his professions. He is a man of medium height dark complexioned, and about 35 years of age.

## Read This Carefully

I am making lots of Farm Loans. There are reasons for this. I can close a loan for you in three days after taking your application, for these reasons: You do not have to wait and pay for a man to examine the land. My company has oceans of money. You do not wait for them to sell your loan in New York or London before getting the cash.

## You can Pay Off at Any Time,

without giving a day's notice of your intention so to do. All other companies require from 30 to 60 days notice on this point. I have so many different plans for making loans that some one is bound to suit. No one can give better rates.
