## LIVE STOCK MARKETS AT KANSAS CITY.

THE WEEK'S TRADE REPORTED BY CLAY, ROBINSON & COMPANY, LIVE STOCK COMMISSION MERCHANTS.

OFFICES AT CHICAGO, KANSAS CITY, OMAHA, SIOUX CITY, ST. JOSEPH AND DENVER.

After the weak to lower close of the market the last half of last week, trading was opened Monday with a moderate supply of beef steers offered for sale and but few lots were choice. Salesmen tried to hold values steady but the liberal run at surrounding markets was to their disadvantage and while a few lots of beefs sold steady, bulk of them were weak to 10 cents lower. Handy weights sold best. The supply of cows and heifers was light but bulk of the offering common. Some of the best ones - old steady but figures were generally 10 cents off. Bulls were steady; veals scarce and firm. Stockers and feeders were slow with good fleshy kinds around steady and others weak to 10 cents lower. Today's proportion of beef steers was liberal and quality good. The market for beefs opened very slow but after trading got started ruled fairly active at 10 to 15 cents lower prices than yesterday. Some of the best heavy steers and tippy handy weights were no worse than weak or 5 cents lower. Tippy kinds of cows and heifers were scarce and steady; others weak to 10 cents lower. Bulls steady; veals firm. Good to choice stockers and feeders sold steady with yesterday but common to medium kind, which made up the bulk of the supply, were 10 cents lower. Common light stockers were very dull.

Last week's hog market closed very little different from the preceding Saturday's prices. Buyers tried hard to secure 10 cents lower rate on Monday and with salesmen endeavoring equally hard to hold the break at 5 cents, the result was generally 7 1/2 lower figures. Conditions today were just the reverse of yesterday, as strength predominated and trading was active and generally 5 cents higher. The close weakened a bit. Bulk of sales were from \$5.50 to \$5.40; top \$5.45.

The week's sheep market finished in good shape and this week's trade was opened on Monday with the demand active, bidding spirited and value anywhere from strong to 15 cent higher. Included in the day's supply were two cars of Texas spring lamb the first from that state this season. 80 head shipped by Fernmeaux Bros. Carrollton, Texas, 49 lbs. \$8.00; 10 head, shipped by J. A. Hall, Manor, Texas, 44 lbs. \$7.00. Today's supply was moderate, the demand good and prices strong. ## Let Common Sense Decide

Do you honestly believe, that coffee sold loose (in bulk), exposed to dust, germs and insects, passing through many hands (some of them not over-clean), "blended," you don't know how or by whom, is fit for your use? Of course you don't. But

is another story. The green berries, selected by keen judges at the plantation, are skillfully roasted at our factories, where precautions you would not dream of are taken to secure perfect cleanliness, flavor, strength and uniformity.

From the time the coffee leaves the factory no hand touches it till it is opened in your kitchen.

This has made LION COFFEE the LEADER OF ALL PACKAGE COFFEES.

Millions of American Homes welcome LION COFFEE daily. There is no stronger proof of merit than continued and increasing popularity. "Quality survives all opposition."

(Sold only in 1 lb. packages. Lion-head on every package.)
