LIVE STOCK MARKETS AT KANSAS CITY.

THE WEEK'S TRADE REPORTED BY CLAY, ROBINSON & COMPANY, LIVE STOCK COMMISSION MERCHANTS.

OFFICES AT CHICAGO, KANSAS CITY, OMAHA, SIOUX CITY, ST. JOSEPH AND DENVER.

KANSAS CITY, May 23.—Receipts of cattle for the first two days this week are 20,000; last week, 14,200; last year, 13,500. Monday's supply of beef steers was moderately heavy but the demand was good and trading active with prices mostly strong, although extremes ranged from steady to 10 cents higher. The supply of cows and heifers was moderate and desirable grades advanced 5 to 10 cents; canners were quiet and steady. Bulls steady; veals scarce and strong. There was a liberal supply of stock-ers and feeders and the demand good for best grades. Common and medium offerings were very slow and weak. Stock cows and heifers were in fair demand and unchanged. Today's run was surprising large and included a liberal proportion of beef steers. The heavy supply enabled buyers to break values 10 to 15 cents as a rule. Very best cows and heifers sold weak to 10 cents lower but most everything declined 10 to 15 cents. All grades of bulls dropped 10 to 15 cents. Stockers and feeders were 10 to 5 cents lower on everything except well bred stock cows.

Monday's hog market was active and 5 to 10 cents higher. Receipts today were exceptionally heavy. Quality of the offerings, however was good. The market opened weak, buyers making a strong effort to take off 5 cents, but steady to 5 cents lower covered the extreme sales. Bulk of sales were from \$5.30 to \$4.40; top 5.45.

Grass sheep predominated Monday as has been the case since the south-westerns have been running. The market for them was 10 to 15 cents lower. Lambs on account of the limited number sold steady. Receipts today were liberal and again consisted of southwestern grassers. Lambs held steady but sheep declined 10 cents as a rule. We quote: Choice lambs \$6 to 6.25; choice yearlings, \$5.50 to 5.75; choice wethers, \$4.75 to 5.00; choice ewes, \$4.50 to 4.65. For woolled stock add 50 cents per cwt.

Truths that Strike Home

Your grocer is honest and—if he cares to do so—can tell you that he knows very little about the bulk coffee he sells you. How can he know, where it originally came from, how it was blended—or with what—or when roasted? If you buy your coffee loose by the pound, how can you expect purity and uniform quality?

LION COFFEE, the LEADER OF ALL PACKAGE COFFEES, is of necessity uniform in quality, strength and flavor. For OVER A QUARTER OF A CENTURY, LION COFFEE has been the standard coffee in millions of homes.

LION COFFEE is carefully packed at our factories, and until opened in your home, has no chance of being adulterated, or of coming in contact with dust, dirt, germs, or unclean hands.

In each package of LION COFFEE you get one full pound of Pure Coffee. Insist upon getting the genuine. (Lion head on every package.)

(Save the Lion-heads for valuable premiums.)
