

How Many Birthdays?

You must have had sixty at least! What? Only forty? Then it must be your gray hair. Ayer's Hair Vigor stops these frequent birthdays. It gives all the early, deep, rich color to gray hair, and checks falling hair. And it keeps the scalp clean and healthy.

"I was greatly troubled with dandruff which produced a most disagreeable itching of the scalp. I tried Ayer's Hair Vigor and the dandruff soon disappeared. My hair also stopped falling out until now I have a splendid head of hair."—DAVID C. KINGS, Plainfield, Conn.

Otto Pope Escapes "Yellow-Jack."

O. W. Pope, who left Lincoln for Central America several weeks ago with F. A. Harrison, has returned by way of the Pacific ocean and San Francisco, and is heartily glad to have made his escape before the yellow fever quarantine made all movement impossible. He says that Mr. Harrison and his wife do not seem to be inconvenienced by the quarantine, as they do not intend to return for some time and are enjoying themselves in the interior of Guatemala.

Mr. Pope had some land deals in mind when he went to Central America, but it did not take him long to decide that he did not want to stay in the country. Before he could get away the boats running to the United States through the Gulf of Mexico were prevented by the quarantine from taking on passengers. He then took a journey on mule back over the mountains to Guatemala City and from there went by rail to the Pacific ocean. Here he boarded a boat from Panama that was full of refugees, and after many delays and trials they finally reached San Francisco, where the doctors examined and thumped them and at last permitted them to land. Mr. Pope brought back many curios and on the whole had an interesting and valuable experience, but he has no further desire to go to Central America in search of a fortune.—Lincoln Journal.

Now Will You Go?

The Campbell Bros. big circus is coming to Red Cloud on Tuesday, August 8. This is the only point in this vicinity where they will exhibit this season and the opportunity to witness it should not be missed. In fact, this is the only big show that will be anywhere near Red Cloud this year. It was at first doubtful if trackage could be secured here for their immense trains, but the railroad company guarantees it and their coming on Tuesday, August 8, is now an assured fact. The consolidation of these big shows this year is something unheard of, two big shows at one price of admission, two menageries, two museums, and two performances given, all in one. The railroads will give special excursion rates and the schedule of trains will be so arranged that no one will miss the street parade which takes place at 10 a. m.

Gasoline Stove Burns Up.

Rev. G. H. Rice's gasoline stove got to "bucking" yesterday about noon and in a short time was enveloped in flames. Mrs. Rice was slightly burned about the hands in attempting to smother the flames, which she finally succeeded in doing, but not until fully a third of a gallon of gasoline had been consumed and the stove was a wreck. There was no explosion, however, which his reverence attributes to a peculiar circumstance. A few weeks ago a peddler sold Mrs. Rice a bottle filled with a powder which, when poured into the gasoline, was warranted to prevent an explosion. This powder had been put into the tank of the stove, and Mr. Rice is forced to the conclusion that the peddler did not misrepresent the merit of the article he was selling.

Prof. Dudley Made Happy.

Prof. G. W. Dudley, the new superintendent of the Red Cloud schools, writes from DeWitt that he and his wife are rejoicing over the arrival at their home last Sunday of a nine-pound girl baby, their first child. Prof. Dudley is expected to arrive today to make arrangements for moving his family here.

Better Than Ever.

That is the verdict of every person who has witnessed a performance of Campbell Brothers great consolidated shows. Always good, but this year with many new added features, the performance is in every way the equal of any show upon the road, and in keeping with the policy of these well known circus managers ever since the first organization of this famous amusement enterprise.

Starting in a small way over fifteen years ago they have steadily advanced until at the present time it is second to none. Cleanly conducted, with no fakirs or grafters, Campbell Brothers consolidated shows has made friends from its infancy and each year sees the list swelled until today the name is a synonym for all that is good and honest in the amusement world. They will exhibit at Red Cloud, Tuesday, August 8.

Garner Potter Drowned.

Garner Potter, the 14-year-old stepson of J. E. Kesler, was drowned at Astoria, Oregon, last Saturday. His grandmother, Mrs. J. G. Potter, had left Red Cloud on Saturday for a visit at Astoria and other western points. On receipt of the telegram announcing the boy's death Sunday morning, Mr. Potter also left for Astoria, expecting to overtake Mrs. Potter at Denver.

In company with some other boys Garner, who had been in swimming, started to run a race along an old, dilapidated wharf, when a rotten plank gave way and he fell through to the water. Every effort was made to rescue him, but without avail, and when his body was recovered a short time later life was extinct.

The preaching service for quarterly meeting will be held in the Inavale M. E. church Sunday morning, August 13, at 11:30. Presiding Elder Pearson will preach and administer the sacrament of the Lord's Supper. Everyone cordially invited.

Child Run Over.

Dale Reynolds, the 3-year old son of Frank Reynolds, prescription clerk in Grice's drug store, had a very narrow escape from serious injury Wednesday evening. He started across the street alone from Grice's to the Potter block and ran in front of a passing team. He was knocked to the ground and both wheels of the carriage passed over his body. He was carried into the drug store where he vomited freely. Examination showed that no bones were broken, and, aside from a severe shaking up, the little fellow was uninjured.

"Seph" Rosencrans Married.

Yesterday at noon, at the home of Mr. and Mrs. W. H. Rosencrans in this city, occurred the wedding of Miss Barbara Anderson of Belvidere, Ill., and Mr. Josephus Rosencrans, Rev. Maze officiating. "Seph" is well known here and in the vicinity of Womer, Kansas, where he owns a fine farm. "Seph" thought he was stealing a march on his friends, but every body was onto him, and all join in wishing him and his bride many years of happiness. They will make their home at Belvidere, Ill.

"Hoop" Is Dead.

There is mourning at the Royal Hotel. Wednesday morning Roy Oatman's dog, "Hoop," the pet of the house, died from the effects of a dose of poison. His remains were laid to rest in the rear of the old Valley House, and the funeral was attended by the employees of the hotel in a body. It is said the scenes around the grave were very touching, the dog having been a favorite among the lady attaches of the house, and their grief was heart-rending.
