Why Refer to Doctors

Because we make medicines for them. We give them the formula for Ayer's Cherry Pectoral, and they prescribe it for coughs, colds, bronchitis, consumption. They trust it. Then you can afford to trust it. Sold for over 60 years.

"Ayer's Cherry Pectoral is a remedy that should be in every home. I have used a great deal of it for hard coughs and colds, and I know what a splendid medicine it is. I cannot recommend it too highly," — MARK E. COHEN, Hyde Park, Mass.

The "Signal" Balks.

Last week's Guide Rock Signal came to Red Cloud with an article torn out. Inquiry among the Signal's subscribers showed that all of the papers were similarly mutilated, which caused considerable speculation among interested parties. It seems that the Signal, given Oliver Hedge, Republican nominee for sheriff, a brief complimentary notice, but owing to the vigorous F. P. Shields, who has been employed in the office for some time, Editor Harry Vaughn decided that it was not to his interest to "boost" a Republican candidate, and caused the article to be torn from the papers which had been printed. Considering his very brief residence in the county, it looks as though Shields "butted in" rather strongly. However, Mr. Hedge will lose no votes by the Signal's failure to allow the article to appear. He is making a clean, hard fight for the office and his prospects of election are very bright. He is amply qualified for the office, has always been a hard worker for the success of the Republican party, and should receive every Republican vote in the county.

Garber's Prospects.

John J. Garber, Republican candidate for county clerk, has been out canvassing among the voters and has visited nearly every neighborhood in the county. He reports everything looking favorable to his election. Mr. Garber is not a politician in the acfor several years, and upon him has and is well worth the money.

filen the largest share of the work of the office, which everyone will admit has been done in a thorough, businesslike manner. Mr Garber has been a resident of Webster county since its organization, and his wide acquaintance and long experience in the office well fit him for the position to which he asp res.

Mrs. Nellie Castor.

Mrs. Nellie Castor, Republican nomince for superintendent, is well known all over the county. She was reared and grew to womanhood in Red Cloud and has for several years been one of the most successful teachers in the city schools. She is a worthy and deserving woman, and the office could not be put in better hands. Her principal opponent, Miss Householder, is the daughter of one of the wealthiest residents of the northwestern part of the county and is not under the necessity of earning her own living, as is Mrs. Castor, who has to provide for herself and child. Mrs. Castor certainly deserves the support of every fair-minded voter in the county.

The Commissioners.

In making up your ballot on election day, do not forget that you are entitled to vote for the county commissioners. even though you do not reside in their districts. The Republican nominees are T. J. Chaplin in the First district and James Overman in the Fourth. Mr. Chaplin is one of the best known farmers in Elm Creek township and part of the county. Mr. Overman has ing. served with credit on the board, and his nomination for another term after a lapse of two years shows that his neighbors have unlimited confidence in his ability and integrity.

"Many a Slip," Etc.

It is said that Rev. ex-Judge I. W Edson is so confident of being elected to the judge's office for a third term that he has rented a residence in town for the next two years. "There's many a slip 'twixt the cup and the lip," however, and it is probable that Rev. Edson will occupy the town property as a private citizen, if at all.

Deaths and Funerals.

Homer Bayles.

Homer D. Bayles, one of the best vision of the Burlington, died at Mc- former home, for burial. Cook, Neb., last Monday, from consumption, after an illness of about a year. The remains were brought to Red Cloud Wednesday morning and funeral services were held at the Christian church in the afternoon, conducted by Elder Davis. Interment was in the Red Cloud cemetery.

Homer Davidson Bayles was born in Scott City, Mo., November 27, 1868 He removed to Red Cloud with his parents when a child, and grew to manhood here, having entered the service of the Burlington at an early age and working up to the responsible position of engineer. He was married to Miss Rose Groves September 14, 1892, and his wife and two sons survive him. He was'a member of the A.O.U. W. and the Brotherhood of Locomotive Engineers.

FATALLY BURNED

Mrs. Fred Teel and Two Daughters the Victims

Word was received in Red Cloud this morning of a terrible accident that occurred at Bladen yesterday afternoon, in which two children were burned to death and their mother also probably fatally burned. The accident occurred about 2 o'clock yesterday afternoon at the home of Mr. and Mrs. Fred Teel, in Bladen.

Lottie, the 16 year-old daughter of Mr. and Mrs. Teel, attempted to start a fire by using coal oil. There were live coals in the stove, and when she poured the oil on the fire it blazed up, igniting the oil in the can, which exwill receive strong support from that ploded and set fire to the girl's cloth-

> She ran screaming into an adjoining room, where her mother, who was ill, was lying in bed with her 4-year-old daughter. The fire was communicated to the bedding and furniture in the room and almost instantly the entire room was ablaze. The contents of the house were destroyed by the fire, and before the victims could be rescued they were so badly burned that the two girls died about 8 o'clock last night, and a phone message this morning says the mother can not live.

Mrs. Teel was about 45 years of age and the girls were aged respectively 16 and 4 years.

Mr. Teel, who is a section hand on the railroad at Bladen, was away from home at the time of the accident.

The remains of the victims will known engineers on the southern di- probably be taken to Blue Hill, their

Owing to the crowded condition of the primary rooms in the South ward, the second grade has been transferred from Miss Gittings' room to Miss Abel's. Miss Abel's fourth grade has been given to Miss Ward, who now has charge of the fourth, tifth and sixth grades. Since the South ward contains eight grades and a kindergarten department, one of the four teachers must have charge of three grades. The enrollment in the lower grade is always much greater than in the higher grades. Massing three grades in Miss Ward's room gives her room an enrollment of 39, while massing three grades in the primary room gave an enrollment of 62. The board has employed Miss Atherton as student teacher to assist Miss Ward, and with her help Miss Ward is managing the room nicely.

The teachers have begun a campaign against whittling and marking desks. Fines are being assessed heavy enough to cause a student to press his pocketbook before doing any damage.

The eleventh grade is going to present "The Carnival of Nations" in the Masonic hall early in November.
