Deaths and Funerals.

Mrs. G. W. Saunders.

Mrs. Hannah Saunders, wife of George W. Saunders, died last Thursday evening, November 30, from a stroke of paralysis which she suffered November 19. Funeral services were held at the family home, three miles southwest of Red Cloud, Saturday morning at 11 o'clock, conducted by Rev. G. W. Hummell, and the burial was in the Red Cloud cemetery.

Hannah Amanda Davison was born in Washington county, Pennsylvania, on January 11, 1826, and lacked but a few weeks of being 80 years of age at the time of her death. In July, 1847, she was united in marriage to George W. Saunders, in Miami county, Ohio. In 1880 Mrs. Saunders, with her husband, came west and settled in Kansas, removing to Red Cloud in 1892, and from here to the home southwest of

town in 1902.

Mrs. Saunders was the mother of nine children, two of whom died in 1863, and a third, Mrs. John Nesbitt, passed away about four years ago. Besides her husband, Mrs. Saunders is survived by six children, all of whom were present at the funeral, as follows: Mrs. Chamberlain and Mr. Len Saunders of New Boston, Ill.; Wm. Saunders of Longmont, Colo.; Mrs. Nelle Maude of Reamsville, Kan., and Thad and Samuel Saunders of Red Cloud.

Will Be a "Two Dollar" House.

John Crans expects to have the B. & M. hotel renovated and in shape for opening by the 15th of this month. When the time for opening comes Mr. Crans will have one of the best equipped hotels along the line of the Burlington. In some manner a report got abroad that the hotel would be run on the "dollar a day" plan. This is a mistake, as Mr. Crans intends making the house strictly first-class in every way and will make an especial effort to please and accommodate the traveling salesmen, among whom he has a large number of friends. The new furniture for the house, which was purchased through a local firm, is up to date and the equal of that of any house along the line, and those who have "chewed" with Johnny in times past know that the bill of fare will contain all that the human stomach can desire. Here's to success, Johnny.

From The Island World.

At the Congregational church next Sunday, Miss Beulah Logan, a missionary of that church, born in the Micronesian Islands, will occupy the pulpit, giving addresses both morning and evening. She will also talk to the children at the Junior Endeavor meeting in the afternoon. Miss Logan is the daughter of Robert Logan and wife, who went to the island world when it was a hazardous undertaking to carry the gospel into those parts, and they spent forty years in christian work among the natives of the archipelagoes. Miss Logan took up her parents' work at their death and is now in the United States on a furlough from duty. She is an exceedingly bright speaker and will give valuable information about her parish of 1,300 square miles, in her address on Sunday. Everyone cordially invited to all of the meetings.

The Gillilan Lecture.

Those who attended the humorous lecture at the M. E. church Wednesday evening by Strickland W. Gillilan, the funny man of the Baltimore American, got their money's worth. For a solid hour and a half Mr. Gillilan entertained his hearers with selections from his own writings, which are in the first rank of the high standard set by American humorists. Mr. Gillilan's personal appearance would have entertained the audience, even had he not said a word. The next number in the Business Men's League lecture course will be John R. Clarke, who will give his lecture "To and Fro in London," on January 20.

Female Footpad Bound Over.

Hester L. Fielding, the colored girl who was arrested for robbing W. K. Geer of \$25, in Lincoln, on November 7, was bound over to the Lancaster county district court in the sum of \$200 Wednesday morning. The robbery was a bold one. While Mr. Geer was walking along a side street the colored woman "bumped" into him and grabbed his purse from his pocket.

Housewarming Party.

W. E. Bean has recently completed one of the finest farm houses in the county, on his place four miles north of Inavale. Last Wednesday about one hundred friends and relatives gathered at his home and gave him a surprise in the nature of a big housewarming party. There were representatives of thirty families present and the affair was a most enjoyable one.

Swallowed a Tack.

Last Saturday the year and a half old son of Mr. and Mrs. Albert Wright, who live a mile and a half west of Red Cloud, swallowed a carpet tack. It was at first thought an operation would have to be performed, but up to yesterday afternoon the tack had not been located and the child was doing so well the operation was postponed.

School Notes

Deputy State Superintendent E. C. Bishop organized a Boys' Corn Growing Club and a Girls' Corn Cooking Club last Tuesday afternoon, in the M. E. church. The object of the movement is to interest boys in scientific seed corn selection and to create an interest on the part of the girls in domestic science.

The church was filled with pupils from the upper grammar grades and high school of the city schools and delegates from all parts of the county. The following officers were elected for the boys club: Stickney Coombs, Red Cloud, president; Floyd Hall, Cowles, vice president; George Beal, Red Cloud secretary; Robert Garner, Inavale, treasurer; Orrin Schenk, Inavale, and Henry Phares and Roy Whittaker of Red Cloud were elected delegates to the state meeting in Lincoln, December 14 and 15.

The following officials were elected for the Girls' Corn Cooking Club: Mable Graves, president; Cora Weesner, vice president; Frankie Ward, secretary; Ethel Garber, treasurer; Edna Austin, May Frisbie and Florence Potter, delegates to the state meeting in Lincoln, December 14 and 15.

At this meeting a list of valuable prizes will be offered for the best foods prepared from corn. Prizes will also be awarded the boys whose corn ranks high enough to secure recognition.

On the night of December 15 a big corn banquet will be given in the Lincoln hotel. The menu consists of seven courses, all of them products of corn. Members of the boys' and girls' clubs will be given free tickets to this banquet.

Four high school girls have already declared their intention of going. Two or three boys are also considering it.

Bruce Robinson has been quite sick since Thanksgiving.

The proceeds of the entertainment given by Miss Blotchky was \$13.10.

The State Teachers' Association will be held in Lincoln December 27-29. Webster county, from present indications, will send quite a delegation.

The petition, requesting the board to reconsider its action in regard to discontinuing giving certificates to students who do not take the prescribed course, was also tabled.

The senior class petitioned the school board that they be allowed to take a course in literature instead of preparing orations. The petition was tabled until next meeting.

Two new compound microscopes have been ordered for the science department. One of these is to be paid for from the laboratory fees paid in by the pupils. The board has also ordered over a hundred new books for the high school library.

The resignation of Mrs. Nellie Caster was accepted by the board last Monday night. Miss Beckwith was unanimously elected to fill the vacancy. Mrs. Caster is a thoroughly experienced and up-to-date teacher. Her work in the Red Cloud schools has been very successful.
