Broke a Rib.

Charley Turner, while working about his barn Monday, fell through a hole in the hay loft floor and struck the ground with sufficient force to break a rib in his left side. The accident will lay him up for a few weeks.

LIGHT AT LAST.

Electric Light Bonds Carried by Overwhelming Majority.

That the people of Red Cloud want electric lights, and want the city to own them, was conclusively proven when the votes were counted Tuesday evening. The First ward, which is always an uncertain quantity in any election, gave a majority of two against the bonds, while the Second ward gave a majority of 93 for the bonds, making the majority in the city 91.

The total vote was 176 for and 85 against, or a little over 2 to 1 in favor of the proposition.

Another thing shown by the election is that the people have confidence in the present city administration and approve the measures that have been adopted looking toward permanent improvements in the city even though we do have to dig down in our pockets and bring up a little extra cash. The proper thing to do is to re-elect the present city administration and give them our hearty support in carrying out the improvements they have inaugurated.

Many of those who voted against the bonds did so because they feared the water plant would not receive the attention it needs. While the water service certainly stands in need of improvement, we believe the first thing necessary is to raise the water rate to something like a reasonable basis. A rate of 50 cents per month for 2500 gallons or less, with 20 cents per thousand for all over that, is a reasonable rate and would greatly increase the revenue from that source and aid in improving the plant.

Clean the Gutters.

Now that we are beginning to put on metropolitan airs, we suggest that the council pass an ordinance requiring merchants to clean the gutters in front of their places of business, to a distance of at least 12 to 15 feet into the street. This would require but little extra labor, and would work a great change in the general appearance of the streets. Occasionally some merchant cleans the gutter in front of his store, which gives the appearance of a white spot on a black background. But it is useless for one or two men to do this unless all do, as it only makes the uncleared portion look so much worse.

Let's clean up.

Adjudged Insane.

Charley Beal, son of I. S. Beal, was brought before the insanity board yesterday and adjudged insane, and was taken to Lincoln last night. He became possessed of the idea that by investing his money in oil stock he would soon become a millionaire. He also had a mania for phonograph music. Yesterday he came to town and announced that he was going to California. Relatives made complaint and he was taken in custody by Sheriff Hedge. It is thought his malady is merely a temporary aberration and that a course of treatment at the Lincoln hospital will soon restore his mental faculties. His many friends hope for a speedy recovery.

F. A. A. Officers.

The Fraternal Aid association elected the following officers last night:

President—Mrs. C. H. Potter.

Vice President—Mrs. Geo. Newhouse.

Secretary—Miss Clara McMillan.

Treasurer—C. H. Potter.

Chaplain—Mrs. P. C. Phares.

Guide—Mrs. E. Welsch.

Guard—Mrs. O. C. Teel.

Overseer—E. Welsch.

Trustee—Mrs. Geo. Hutchison.

After the business meeting was over those present indulged in a lunch. As

the majority of the newly elected officers were of German descent, limburger cheese sandwiches formed the principal part of the bill of fare and was especially enjoyed by the ladies.

To Cure a Cold in One Day.

Take Laxative Bromo quinine tablets. Druggists refund money if it fails to cure. E. W. Grove's signature is on each box. 25 cents.

A Guaranteed Cure for Piles.

Itching, blind, bleeding, protruding piles. Druggists are authorized to refund money if Pazo Ointment fails to cure in 6 to 14 days. 50 cents.

To Cure Scars.

Scars are often very ugly things and disagreeable marks when they exist in a prominent place on the skin. Probably nothing can remove a big scar the tissue of which has become fibrous and unyielding, but the following recipe, to be applied on lint and allowed to remain on the part for a little time daily, will effect an improvement in small scars and blemishes: Borax, one and a half ounces; salicylic acid, twelve grains; glycerin, three drams; rosewater, six ounces. Mix.

Dissembling.

"That man in there is a hypocrite," said Jackson as he left the drug store.

"You mean the druggist?"

"Yes. When I went in I interrupted him in the midst of compounding a prescription. I told him I wanted a two cent stamp, and he smiled as sweetly as if he was glad to see me."—Philadelphia Ledger.

A Girl and Her Money.

"Do you believe in marrying a girl for her money?"

"Not as a general thing, but sometimes that's the only way you can get it away from her."—Cleveland Leader.

She Knew His Secret.

"Tell me honestly, now, Clara, did Harold confess his love last night?"

"Confess! What do you think I am, a chief of police?"—Milwaukee Journal.
