# If you've been Looking for Bargains in Men's Clothes Here They Are

We've just had time to catch our breath after the vigorous selling during the holiday season and we went to work immediately cleaning up our stock.

Where there were only two or three suits or overcoats of a kind—where sizes were badly broken—where an overcoat lingered here and there, we have sorted them out, and when we came to mark the new prices on these goods we forgot all about the profit part of it.

- \$20 Overcoats at \$16 00
- 18 Overcoats at 14 40
- 15 Overcoats at 12 00
- 12 Overcoats at 9 40
- 10 Overcoats at 8 00
- 6 Overcoats at 4 80

While there may be only one—or two—or three overcoats of a kind, yet there are so many different kinds that you will find very rich choosing indeed. We can fit almost any build of man out of these reduced clothes and give him a bargain that will send him away smiling.
