LAND LAND LAND IRRIGATED LANDS!

Sunny El Rito Valley, New Mexico.

40,000 acres Finest Irrigated Land

Now only \$40 per acre
Will soon be worth \$100

Remember, \$40 pays for land and perpetual Water Right fully paid. No crop failures. No drowning out of crops. No drought. No cyclones. Title perfect. Warranty Deed at any time. You are not obliged to live on this land to obtain title. Remember this land is now only \$40 per acre, one-fifth cash, balance five equal annual payments, interest 6 per cent per annum. You can buy 40 or more acres. It is especially adapted to fruit raising. Thirty years without a failure. Also Alfalfa, Sugar Beets, Potatoes and Grains. Canal now completed which will irrigate over 8,000 acres. Note extracts from some of the people who have purchased land:

Wm. Davis, Barclay, Kansas, says: "I find your proposition better than represented in your prospectus."

S. Van Wheeler, St. Francis, Kansas, says: "The land is capable of producing large crops of all kinds and is one of the best fruit districts in New Mexico."

M. F. Pitt, Winfield, Kansas, says: "I liked it so much that I bought 50 acres more than I intended."

W. P. Ball, Golden City, Mo., says: "I liked the land so well that I took 40 acres more than I had intended."

Geo. Rex, Cherokee, Kansas, says: "I did not suppose there was any such

tract of land in New Mexico unoccupied. I think this the finest valley I ever saw." (He was relieved of asthma within 48 hours.)

J. R. Ball, Golden City, Mo.: "There were eight in our party and all bought more than they expected."

Dr. T. H. Sutherland, president Colorado State Dental Association, Denver, says: "I found the land beautifully situated, soil rich and productive. I found all varieties of fruits growing in great abundance. I can not refrain from mentioning the climate—air dry, pure and stimulating. The locality is most delightful and productive."

The Burlington railroad will make low rates during March and April. Will refund car fare to all who buy land of us.

We also have 10 acre tracts adjoining town for \$50 per acre on same terms. Or if you want a good farm in this county, I can fit you out. I have sold over \$40,000 worth of property in this county within the last few months. I am "still in the ring" for business. If you have anything to sell or trade, no matter where it is, I can fit you out.

School Notes

G. W. DUDLEY, SUPT.

Hastings, instead of maintaining a grammar grade in each ward, has one central departmental grammar school in which the enrollment is one hundred and twenty. If Red Cloud had rooms suitable we could very well do likewise. A departmental grammar school follows closely the plan of the high school. The advantages are many. In a grammar school of two teachers—the number in the Red Cloud grammar grades—the work could be so arranged that each teacher could instruct in those branches for which she is particularly fitted. For instance, one might teach mathematics and science, while the other might teach English, Reading and History. In this way the break between the high school and grammar school would be less abrupt. Increased attendance in the high school would undoubtedly result from this plan.

Attorney General Norris Brown was invited to deliver our commencement address. Owing to the press of business, he has declined, feeling that he ought not to accept a date so far ahead as the last of May. Norris Brown and Treasurer Peter Martensen are known as men "who do things." They are men who have little time for political buffoonery. They state at

home and attend to stay business. Nevertheless the eyes of many are upon them. Probably no Nebraskan, at present, would be heard more gladly than Norris Brown. We were very sorry to receive the letter in which he declines to accept the date. Others with whom we are corresponding are Senator Burkett, Congressman Shallenberger and G. W. Berge.

Geneva recently dedicated a \$30,000 school building. Spring vacation will begin March 30th and extends to April 9th.

Paul Johnston has returned to school after a long siege of the mumps.

Miss Orr, an eighth grade teacher in the Hastings schools, has been compelled to resign on account of poor health. She was threatened with nervous collapse. To fill the vacancy thus caused the board elected D. M. Ball, president of the board, notwithstanding his repeated refusal. Mr. Ball was made principal of the Grammar school. He is an old school man, who served two terms as county superintendent in Adams county.

RHEUMATISM CURED IN A DAY.
Mystic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents and \$1.00. Sold by H. E. Grace Druggist, Red Cloud

Prohibitionists to Make Campaign.

A number of the Prohibitionists of Webster county got together Friday afternoon, March 16, in Bladen and held a conference. It was decided to thoroughly organize the county and proceed to make a rousing campaign this summer and fall. Chas. Fulwider was elected chairman, A. V. Wilson of Bladen, Secretary; S. L. White of Blue Hill, Treasurer; D. O. Bennett and S. W. Hogate of Bladen, members of the executive committee. Township central committeemen have been selected in part as follows:—Harmony, J. L. Riggins; Glenwood, S. J. Boomer; Potsdam, Mr. Roland; Oak Creek, John James; Stillwater, Harry Curtis; Batin, A. E. Thomas; Catherton, E. M. Grubb; Elm Creek, H. J. Saunders; Red Cloud, W. L. Austin; Pleasant Hill, W. H. Thomas; Guide Rock, C. Christy.

A neat sum was subscribed by those present to begin the campaign. It is proposed to hold a county convention in June in Red Cloud and put out a full county ticket.

Mr. Taylor made a very able address in the evening on "Christian Citizenship."

CITY CONVENTIONS.

Both Republican and "People's" Tickets Nominated Last Friday.

The Republicans met in convention at the court house last Friday afternoon and nominated the following ticket:

For Mayor—Charles F. Cather.
For Treasurer—J. O. Butler.
For City Clerk—L. H. Fort.
For Police Judge—Clarence Reed.
For City Engineer—Geo. H. Overing.
For Councilmen—First ward, L. A. Haskins; Second ward, C. D. Robinson.
For Members of School Board—L. H. Fort and R. F. Raines.

For the mayoralty, no better selection could have been made. Mr. Cather's record as a member of the council is one of which he and his friends may well be proud, and there is no more honorable or upright man in the city than the Republican nominee, nor one who takes a deeper interest in the city's welfare.

J. O. Butler and L. H. Fort both earned re-nomination by the careful and conscientious manner in which they have discharged the duties of their respective offices.

Clarence Reed's duties are not very onerous, as Red Cloud has little or no police court business, and he has shown himself competent to handle all cases that come before him.

George Overing is capable of handling all the surveying necessary to be done, and has some advanced ideas about improving the appearance of the streets.

Dr. Raines, the new nominee for member of the school board, is popular with all who know him. He is interested in school work and will be a valuable addition to the board. L. H. Fort's good work on the school board is all the recommendation he needs.

C. D. Robinson, nominee for councilman in the Second ward, is a business man of ability, has been a life long Republican, and will make a good successor to Mr. Cather.

As in the case of the wasp, the "sting" of the ticket lies pretty close to its tail. L. A. Haskins has been a "Pop" candidate so often that it is hard to convince us that he has reformed, and it looks as though the First warders have perpetrated a sorry kind of a joke upon—well, someone.

A mass (?) meeting of citizens was held Friday night and nominated the

following candidates:

For Mayor—Chas. R. Besse.
For City Clerk—Ward Hayes.
For Councilmen—First ward, Henry Diederich; Second ward, W. B. Cramer.

J. O. Butler, Republican nominee for city treasurer, was indorsed by the meeting.

We did not learn who were the nominees for members of the school board
