The Cutler & Lamphere company came to the opera house Monday for a week's stand at 10 cents admission and has been playing to fair houses. Mr. Cutler tells of his experience here five years ago, when his show played for eight nights. The first night a terrific rain poured down and the roof of the opera house sprang a leak, compelling the discontinuance of the play. In telling of the affair THE CHIEF at that time said the play was abandoned as the actors had neglected to bring their bathing suits and row-boats.
