

A Food to Work On

Work! Work!! Work!!!

Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time.

The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on.

Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means **Uneeda Biscuit**—are richer in muscle and fat-making elements and have a much higher per cent. of tissue-building properties than any other article of food made from flour.

That this is becoming known more and more every day is attested by the sale of nearly 400,000,000 packages of **Uneeda Biscuit**, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutriment perfectly preserved. *Truly the food to work on.*

Whoever you are—whatever you are—wherever you work—**Uneeda Biscuit**.

The imitation Tom Thumb wedding at the Christian church Monday evening by some 60 of our little folks under the direction of the ladies aid society was fine, and everyone present was well pleased with the entertainment. The little folks taking part on the program did exceptionally fine, their acts being so natural that the play seemed almost genuine.

There was considerable excitement at the dance in Mullet & Long's hall last night. Bert Cameron and wife had evidently been having trouble and at the dance he made several attempts to dance with her, but was refused. He then went to the head of the stairs and was in the act of jumping overboard with suicide intent and his wife grabbed him. After considerable conversation and interference on

the part of them, Bert was relieved of a razor which he had in his pocket. Mrs. Cameron then went to where she is stopping in west Superior and the matter quieted down.

The first of the ball game today between the Bloomers and the Red Eagles were very bum. If the men bloomers were as good as the women and that would be playing poor ball, the club could put up a better game. As it is, the game was very "punk" and it is regretted that it was not a more even game. The score was 1 to 30 in favor of the Red Eagles.

(From the Messenger.)

Lewis V. Ross of Riverton, Neb., and Miss Bonnie Craig of Reamsville, were united in marriage by Probate Judge Black at his office, Wednesday, June 13, in the presence of a few friends.

Mrs. Herrick, it will be remembered, was called to his bedside a short time ago by a telegram announcing his injury. Mr. Woodward was employed in a foundry and on the day of the accident was painting some large iron castings.
