A Band at Last.

Red Cloud will again have a band unless all signs fail. A meeting was held Monday evening and it was decided to organize September 1st. Alvin Snapp, who made such a success of the Webber band, has secured a position with H. E. Grice and will be the instructor of the band. There is plenty of musical talent in Red Cloud, and pledges of support have already been given by the business men which guarantee the necessary financial backing for the enterprise. In the past Red Cloud has supported good bands, and there is no reason why, with the enthusiasm shown at Monday night's meeting, we should not have the best band in southern Nebraska.
