

# It Quiets the Cough

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes, and heals. Sold for 60 years.

Ayer's Cherry Pectoral has been a regular life preserver to me. It brought me through a severe attack of pneumonia and I feel that I owe my life to its wonderful curative properties.—WILLIAM H. TRUITT, Wawa, Pa.

A cold taken at this time of the year is generally hard to get rid of but it will not be able to withstand Bee's Laxative Honey and Tar. That will cure all colds, coughs, croup, whooping cough, etc., by driving them out through the bowels. If you have a cold, try it, and if not cured get your money back. No opiates. Sold at Henry Cook's drug store.

In the Nation's piano contest, which closed last Tuesday, Miss Pearl Hines was awarded the first prize, the piano. A preacher came at a newspaper man this way: "You editors do not tell the truth. If you did you could not live; your newspaper would be a failure." The editor replied: "You are right, and the minister who will at all times tell the whole truth about his members, alive or dead, will not occupy his pulpit more than one Sunday, and then he will find it necessary to leave town in a hurry. The press and the pulpit go hand in hand with whitewash brushes and pleasant words magnifying little virtues into big ones. The pulpit, the pen and the gravestone are the great saint making triumvirate." And the great minister went away looking very thoughtfully, while the editor turned to his work and told of the surpassing beauty of the bride, while in fact she was as homely as a mud fence.—Exchange.

## BUSINESS COLLEGE NOTES.

The college and the public school played an interesting game of ball in Mrs. Garber's pasture Tuesday evening after school. The score in the closing stood 5 to 4 in favor of the public school boys. Although the boys played their first game, on both sides the playing was good and fast. President Dietrick played with the college boys and Bert Garber played with the public school. Fred Spence was in the box for the college and Jesse Null behind the bat; and James Ferguson twirled them for the public school and Esty Smelser took them from the bat. The boys expect to play again soon. R. D. Kummer of the mill did the right thing as umpire. The two schools can have many friendly contests if they will learn to respect the umpire and stand by him on all decisions whether it is for against them. Keep mum and play hard is the best way to convince the umpire that you can play ball. Bert Garber made one pretty catch.

Miss Lewis, who was with us in the teaching force last year has accepted a position in the Detroit Business college of Detroit, Michigan. Miss Lewis was a good teacher of shorthand and deserves the place she has.

Miss Hines, our chapel organist, played for Sunday school at the M. E. church Sunday.

Lonny Lyle wrenched his right arm Thursday last, while trying to "curve in."

The dates for the College Lecture course are: Fries Sisters Quintette, October 30; Everett Kemp, December 3; Midland Concert Co., January 23; Hon. J. G. Clamp, February 11; Frank H. Gamel, February 26. If you take the Chicago Lyceum look up the record of these numbers and see their high standing on the platform. Also notice that the Midland Lyceum Bureau is the longest bureau in the United States. Give your order for your season tickets now, which is only \$1.50 for all five numbers. You make a saving of \$1 to buy them all at once.

Herbert Plumb writes that his salary has been raised twice and the firm made him promise to stay until the first of January. Mr. Plumb will be holding one of the top positions soon. Go it Plumb you can if you will.

Arthur McArthur and Raymond Palmer are new students this week.

Mr. Chartier made a talk in Chapel Wednesday morning about a new system of shorthand that he had invented. It is a wonder and if what he claims is true, and the teachers are now taking the course under his instructions, we will adopt it as has all the other good schools in the east as well as in Nebraska. He claims a student can learn to write it in ten weeks so he can read it better and write it faster than a student of nine months in any old system. The school will decide later.

Dr. Frank Barlow was a pleasant caller Wednesday.

Miss Pearl Hines, our organist in the college, won the Nation's piano. Miss Bertha Barlow also a student won a nice watch and chain given by Newhouse Brothers.
