

## Special Sale of School Hosiery

Vacation is over and the boys and girls will need stockings. We have provided for this with a large line of Hosiery in all weights. There is the heavy hose for the boys, fine narrow-ribbed for girls, lisle hose for Sunday, and every pair warranted fast black Yarns.

### Two Weeks Burson Fashioned Stockings Only

The 10c Grade  
3 pr. for 25

The 15c Grade  
pr. for 25

The 20c Grade  
2 pr. for 35

The 25c Grade  
2 pr. for 45

No Stockings can be made with truer lines and shape, and yet there is not a seam in them from toe to top.

As perfectly fashioned—shaped—as the best foreign hose, but without the seams,

which are always present in the imported stockings.

You need not pay for the work of sewing up those seams that hurt, as there are no seams in the Burson. Knit in perfect shape—shaped perfectly in the knitting. They keep that shape from machine to rag bag.

Best in Quality and Comfort. No Higher in Price.

This Cut Tells the Story

### Deaths and Funerals.

#### Mrs. Lena Bergman.

Miss Lena Hanson was born in Iowa in 1878, and died at her home fifteen miles northwest of Red Cloud, Saturday, September 22, 1906, at the age of 28 years. In 1902 she was married to Mr. Ole Bergman, who, with the infant son, are left to mourn her loss. Funeral services were held at the Danish church Sunday afternoon, conducted by Rev. Bergman, and the remains were followed by sorrowing relatives and friends to their last resting place in the Danish cemetery.

#### Anson Garber.

Anson Garber, only son of Mr. and Mrs. E. S. Garber, was born April 15, 1887, at Guide Rock, Nebraska, and died at the home of his parents, near Guide Rock, Friday, September 21, 1906, of consumption, of which disease,

he had been a sufferer for several years and his death was not unexpected. Anson had been in Colorado for several months, expecting by rest and change of scene to regain his usual strength. For the past four years Anson had made his home in Red Cloud with his parents, until a few weeks ago, they removed to Guide Rock. He had made many friends while here and was a general favorite among the Red Cloud social circles. The funeral services were held at the home Sunday afternoon, September 23, at 2 o'clock, conducted by Rev. Willahan of the Baptist church of Guide Rock. The male quartet of Red Cloud composed of Messrs. C. L. Cotting, V. B. Fulton, G. S. Albright and L. P. Albright furnished a number of beautiful selections. The floral tributes were many and beautiful. Adair Galusha of Lincoln, Dwight Wilson, Warren Longtin and John Yapple of Red Cloud, John Sheppard and Frank Newmeyer of Guide Rock, all young men friends of the deceased were pall bearers. Interment was made in the Guide Rock cemetery. THE CHIEF ex-

tends heartfelt sympathy to the bereaved parents and sister.

#### Sunday School Picnic.

The south ward Sunday school had what we all say, the finest picnic in this part of the state last Saturday in Rev. Hummel's grove south of the river. Mr. Gilham secured a team and wagon from Mr. Beal and Mr. Haskins took the other team while a number went in their own rigs. While waiting at the school house Mr. Smith came along with a fine lot of peaches and made all hearts happy by giving the picnicers a peck of the finest. We had a good time going and when we got there we found a nice clean grove with Rev. Hummel and wife waiting with all the smiles we could take besides all the water melons we could eat. About forty seated themselves on the grass to enjoy the "bestest" dinner hwe ave ever eaten. Why it made us think of mother's cooking. The camp fire and the swings and the roaming through the woods and the posing for the pictures

Prof. Dietrick took, made the day pass all too soon. Rev. Hummel, James Gilham, Lucian Haskins and Prof. Dietrick all made appropriate talks and then we all talked. Mr. Ward had a convention in town and could not stay until his turn came to make a speech. Of course, Lucian talked on the water question.

You north ward people will have to hustle or we are going to have the best Sunday school in Red Cloud.

When we were ready to go each one of the children and all the rest shook hands with Rev. Hummel and wife and told them we had a fine time and wanted to come again and he told us we were always welcome. Rev. Hummel is one of those ministers who wins the heart of all he meets.

#### Superintendent Elected.

Oscar Burroughs, who has been line foreman in the installation of the electric light plant, was elected and has accepted the position of superintendent of light and water commissioner. Mr. Burroughs will have entire charge of the light and water plant and the city will look to him for results. There were about thirty applicants for the position and of the total Mr. Burroughs was chosen as being the best fitted to fill the position.

#### Council Proceedings.

Council met in an adjourned meeting Wednesday evening at City Clerk Fort's office, with the Mayor and councilmen Wolf, Robinson and Diederich present.

The applications and recommendations of A. F. Comstock of Omaha, and Oscar Burroughs, who has been line foreman, during the installation of the light plant, were read and upon consideration Oscar Burroughs was offered the position of superintendent of lighting and water commissioner at a salary of \$80 per month.

Bids for furnishing the city with lamps for the ensuing year were read and contract was awarded to the Nebraska Electric Co., of Omaha.

### School Notes

#### G. W. DUDLEY, SUPT.

The Falls City high school boys are organizing a band.

J. F. Winters was in the High school during the opening exercises Thursday morning.

Vernon Storey has been out of school since Tuesday, suffering from a severely sprained ankle.

The Webb and Ware drawing course, adopted by the board, is creating quite an interest in the drawing, both on the part of the pupils and teachers.

The High school tennis club elected the following officers: Lloyd Hall, president; Stickney Coombs, secretary. A new court has been marked out north of the Firemen's hall.

#### BUSINESS COLLEGE NOTES.

A move is started among the girls to play basket ball.

The boys took their first out at football Monday evening.

Mr. and Mrs. Brooks were visitors in chapel and bookkeeping last Monday.

Mr. Dietrick read from Fred Emerson Brooks Thursday morning at chapel.

A number of the college boys and girls attended the Brethren convention this week.

Lonnie Lyle has secured a position with Attorney Blackledge and will do shorthand work and go to school.

Prof. Dietrick was in Cowles Sunday

to take part on the program of the Union rally of the Sunday school there.

Prof. Paul Dietrick and wife attended the south ward Sunday school picnic last Saturday. They report a fine time.

Fred Spence, Jesse Null, Frank Watson and Glen Arnold were with a picked team to play the Bladen team a game of ball Saturday. Bert Garber pitched and Bladen got all the scores, the boys from Red Cloud only got a goose egg.

The High school and Business college had another round at the ball park Tuesday evening. Bert Garber was in the box for the High school and Guy Henderson in the box for the college, while Esty Snelser and Jesse Null held their old places behind the bat. A. J. Dietrick acted as umpire and we had a close game until the first half of the eighth when Bert Garber was told to go to first because he was hit by the pitcher. Instead of going to first he came out to the umpire to explain something and while there Lonnie Lyle told him he lied, and Bert struck Lonnie, and a short skirmish was the result, which broke up the game as the college boys refused to play ball with a fellow, who had to use his fists to win the game. The High school boys are all fine fellows and carried themselves like gentlemen and every college boy speaks well of them and their playing.

#### Child Drowned.

Last Thursday, the eighteen-month-old child of Mr. and Mrs. Joseph Ferguson, of Highland, Kansas, was accidentally drowned in a wash boiler of water. Funeral services were held at the U. B. church, Friday, September 21, at 11 o'clock, and the little one laid to rest in the Highland cemetery. The family have the sympathy of the entire community in their hour of bereavement.

### Wedding Bells.

#### Fulton-Stoner.

A quiet wedding took place at the home of Mr. and Mrs. M. C. Fulton on Walnut Creek, Wednesday, September 26, at high noon, when their youngest daughter, Miss Beulah E. Fulton and Mr. Alvah L. Stoner were united in marriage. Rev. R. B. E. Hill, pastor of the M. E. church of Inavale officiating. Only the near relatives were present. Immediately after the ceremony a sumptuous dinner was served, and many hearty congratulations were extended. The bride is a native of Webster county, her father having come here in an early day and having passed through the vicissitudes of pioneer life, is now one of the successful and respected farmers on Walnut Creek. The groom is a son of H. F. Stoner a prosperous farmer living five miles south of Inavale. Both of the contracting parties are very popular in the community, where they live and their many friends join in wishing them a long, happy and successful life.

#### Card of Thanks.

I wish to express my sincere thanks to those who so kindly assisted in raising the funds for the purchase of myself a new chair, and will further say for one in my condition to know they are remembered by those who are well and in the whirl of the world is worth many times the value of those favors and a lesson to be remembered through life.
