

For Thin, Poor Blood

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the strongest Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

But even this grand old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take laxative doses of Ayer's Pills while taking the Sarsaparilla. The liver will quickly respond, and so will the bowels.

Life.

This little life, what is it say?
'Tis ever a revolving day
Though to day may give some sorrows,
Hope promises kindly morrows.
Revolving day apt takes the bright
Winds loving objects from our sight,
Today 'tis life, the next dismay,
Going ever all pass away.

Save friendship true, celestial spirit,
Earthly dross ne'er rests within it,
Pure as dew that weeps o'er scared
flowers.
Like dew sustains with helpful
powers.
A few revolves each life is gone,
The spirit of life's work goes on,
Evolves, may bless some future soul
With hope and strength to reach the
goal.

Oh, life of philanthropic work,
Of priceless worth, no sense of
dearth,
Diffusing ever purest even,
Gives to earth a taste of heaven.
So 'tis not all of life to live,
A true and faithful life doth give
Titles clear to a rest on high,
So 'tis not all of death to die.
