A Food to Work On

Work! Work!! Work!!!

Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time.

The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on.

Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means **Uneeda Biscuit**—are richer in muscle and fat-making elements and have a much higher per cent. of tissue-building properties than any other article of food made from flour.

That this is becoming known more and more every day is attested by the sale of nearly 400,000,000 packages of **Uneeda Biscuit**, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutriment perfectly preserved. *Truly the food to work on.*

Whoever you are—whatever you are—wherever you work—**Uneeda Biscuit**.

MAGOON REACHES HAVANA

GENERAL AMNESTY IS EXTENDED TO POLITICAL PRISONERS.

TAFT OUTLINES DUTY OF ARMY

American Forces in Island Must Not Engage in Conflicts With Cubans and Must Show Them All Possible Courtesy—Rebels Lay Down Arms.

Havana, Oct. 10.—Charles E. Magoon, the newly appointed provisional governor of Cuba, arrived here. Coincident with his coming Governor Taft gave out a general decree, proclaiming amnesty not only to the rebels, but to all persons charged with political offenses or crimes in any way connected with the revolution. He also issued orders covering the attitude of the American marines and soldiers toward the people of Cuba.

The officers of marines stationed in various localities are advised that they are not expected to take part, in an active way, in the suppression of disorder unless extreme emergency arises in which it is absolutely necessary for them to protect life and property. The duties of the marines are generally limited to tendering their good offices between the conflicting elements and the prevention of that friction which, in the high state of tension between the political parties, is inevitable during the present crisis.

The order concludes as follows: "The president of the United States deems it of the utmost importance that the American forces do not engage in conflicts with Cubans, but that disorders by Cubans be suppressed by Cubans. It is also expected that the officers and men, both of the army and the marine corps, will exert every effort to show all courtesies to Cubans possible of all parties and avoid in any way injuring their sensibilities."

The order makes it plain that the marines will remain in the island for the present, as an adjunct to the infantry.

Governor Taft said that practically all the American warships now in Cuban waters soon would be withdrawn.

The appearance of yellow fever at Cienfuegos caused the immediate issuance of an order by Colonel Barnett, directing that the American marines be removed from that city. The men were marched aboard the ships.

The disarmament commissioners in Santiago report that all the insurgents in that province have been disbanded, with the exception of one band, which is in an inaccessible region near Bayamo. Governor Taft has ordered the cruiser Des Moines to embark the commissioners at Santiago City and to land them at Manzanillo, whence they will be able to reach the insurgents' camp.

Four Convicts Fatally Hurt.

Auburn, N. Y., Oct. 10.—A scaffolding, on which four convicts were at work whitewashing a ceiling in Auburn prison, broke and precipitated all four to the cement pavement, forty feet below. Two of them, Charles Rand and William W. Goodenbury, died. Two others, Charles W. Fulton and Edward W. Kniskers, are not expected to live.

Overland Train in Ditch.

Evanston, Wyo., Oct. 10.—The east-bound Overland Limited on the Union Pacific was wrecked half a mile west of here. Four coaches, including the diner, are off the track and partially turned over. No one was seriously injured, though many received painful cuts and bruises.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

DEATH TO REBELS AND JEWS

President of Union of Russian People Makes Remarkable Address.

Odessa, Oct. 10.—President Dubrovin of the Union of Russian People made a remarkable address here. He spoke to a band of 300 armed members of the union, who had carried him on their shoulders to the railroad station on his departure for Kiev, and said:

"In the name of our beloved emperor I bless you. The holy Russian cause is the extermination of rebels. You know who they are and where to find them. Clear the Russian soil of them. The Russian people want neither constitutions nor parliaments, but orthodoxy and autocracy. Go ahead brothers; death to the rebels and Jews."

After his train had left the band of 300 rushed down the principal streets of the city, shouting: "Death to the rebels, death to the Jews."

All the shops were at once closed and the Jewish population was in a

condition of panic and terror throughout the night. Measures taken by the prefect, however, prevented further disturbances.

Date Set for Nevada Land Opening.

Washington, Oct. 10.—The president issued a proclamation fixing 12 o'clock noon, on the 29th inst., as the date for opening the Walker River Indian reservation in Nevada to settlement. There are 268,000 acres of land to be disposed of, and the law permits its acquisition under the general land laws. The reservation is in the Carson City land district.

Chicago, Oct. 10.—Joseph H. GLIDDEN, the inventor of the barbed wire fence, is dead at his home at DeKalb, Ill., at the age of ninety-three.

Glidden obtained the idea of making barbed wire fencing from an exhibit made at a country fair in the early 70s by a man named Rose, who had driven brads through a block, which he then stapled on a wire. Glidden improved on the idea and the barbed wire of today was the ultimate outcome.
