It is a well known medical fact that pine resin is most effective in the treatment of diseases of the bladder and kidneys. Sufferers from back ache and other troubles due to faulty action of the kidneys find relief in the use of Pine-ules. \$1 buys 30 days treatment. Sold at Henry Cook's drug store.

At an experiment farm near Lincoln, 500 bushels of potatoes have been raised from a single acre. It is claimed that a bushel of potatoes will make one gallon of denaturated alcohol and if this is true the Nebraska farmer will no doubt find it profitable to raise potatoes for this purpose as well as to supply the food demand. Ex.—Yes, and think of selling the alcohol at 15 cents a gallon.

Proposed Constitutional Amendment.

The following proposed amendment to the constitution of the State of Nebraska, as hereinafter set forth in full, is submitted to the electors of the State of Nebraska, to be voted upon at the general election to be held Tuesday, November 6, A. D. 1906

Be it enacted by the Legislature of the State of Nebraska:

Section 1. That at the general election for state and Legislative officers to be held on Tuesday, succeeding the first Monday in November, 1906, the following provision be proposed and submitted to the electors of the State as an amendment to the constitution.

Section 2. There shall be a State Railway Commission, consisting of three members, who shall be first elected at the general election in 1906, whose terms of office, except those chosen at the first election under this provision, shall be six years, and whose compensation shall be fixed by the Legislature.

Of the three commissioners first elected, the one receiving the highest number of votes, shall hold his office for six years, the next highest four years, and the lowest two years. The powers and duties of such commission shall include regulation of rates, service and the general control of common carriers, as the legislature may provide by law. But in the absence of specific legislation, the commission shall exercise the powers and perform the duties enumerated in this provision.

Section 3. That at said election in the year 1906, on the ballot of each elector voting thereat, there shall be printed or written the words: "For Constitutional Amendment, with reference to State Railway Commission" and "Against Constitutional Amendment, With Reference to State Railway Commission." And if a majority of all votes cast at said election, shall be for such amendment, the same shall be deemed to be adopted.

I, A. Galusha, secretary of state of the state of Nebraska, do hereby certify that the foregoing proposed amendment to the Constitution of the State of Nebraska is a true and correct copy of the original enrolled and engrossed bill, as passed by the Twenty-ninth session of the legislature of the State of Nebraska, as appears from said original bill on file in

this office, and that said proposed amendment is submitted to the qualified voters of the state of Nebraska for their adoption or rejection at the general election to be held on Tuesday the 6th day of November, A. D. 1906. In testimony whereof, I have hereunto set my hand and affixed the great seal of the state of Nebraska. Done at Lincoln this 24th day of July, in the year of our Lord One Thousand Nine Hundred and Six, of the Independence of the United States the One Hundred and Thirty-second, and of this state the Fortieth.

A. GALUSHA,

(SEAL) Secretary of State.
