We will never be fully satisfied with the electric light plant until we have a 24-hour service. This is not possible at present, however, as there are not enough power users who would put in electric motors to justify the expense of running the plant both night and day. However, the time will not be long in coming when power users will come to a realization of the fact that electricity is the best and most reliable power to use.

The Fraternal Aid Association installed its newly elected officers last evening. There was an unusually large turnout of the members, and following the installation those present enjoyed a box lunch. The ladies showed great consideration for the gentlemen by placing orders in their lunch boxes. The Fraternal Aid is one of the best and soundest insurance orders in existence, and the members of the local lodge always have a good time at their meetings. They will have another banquet and special program next meeting night.

The reports given at the annual

meeting of the Congregational church showed a most prosperous year. Money raised for all purposes, \$1150; for benevolence, \$165. The year closed with bills all paid and a balance on hand. Thirty-nine members were received into full fellowship. The congregations have been good and are on the increase. The trustees and pastor wish to extend thanks to all who have in any way contributed to the success of the church. "Come with us and we will do thee good for the Lord hath spoken good concerning Israel."

The concert at the Congregational church last Friday evening, given by the high school glee club, was a very enjoyable entertainment. All the numbers were well rendered and the large audience was very enthusiastic in its applause. The receipts were \$43.50, which will be applied on the purchase of a piano for the high school. It is hoped that when the piano is secured a course of music may be introduced in the school under a competent instructor. Nothing smooths the way more for teacher and pupil than good singing in the schools.

The Nebraska house yesterday killed the bill to allow horse physicians who have practiced in this state for five years or more, whether or not they are graduates of a veterinary college, the privilege of styling themselves "veterinary surgeons." It will not be many years until the "flint-locks" are all out of practice and our livestock will be attended to by men who have been scientifically trained.

### School Notes

G. W. DUDLEY, SUPT.

The following is a statement of the receipts and expenditures of the high school football team and glee club: Total receipts of Christmas football game ..... \$48 00 Total expenses (grounds, etc.) ..... 4 00

Total net proceeds ..... \$44 00 High School's share ..... 22 30 Paid for medical services \$6 50 Paid for football ..... 4 35—10 85

Balance on hand ..... \$11 45 Receipts of the high school concert were ..... \$43 25 Paid for church ..... \$5 00 Paid for instruction ..... 3 50 Paid for programs ..... 2 00 Paid for tickets ..... 2 00—12 50

Net receipts ..... \$30 75

The high school won the Argus organ by a big margin. The value of this, \$66, along with the proceeds of the concert, are to be turned in on the piano already bought. The price of the piano is \$286. Deducting the proceeds of the concert and the value of the organ, we owe \$189.25. This is to be paid in installments.

The high school concert clearly shows what public school pupils could do if they had a regular instructor in vocal music. Superior, Nelson, Holdrege and many other towns near us employ a special music teacher who gives regular instruction in vocal music, throughout all the grades and high school.

The remark has frequently been made since the concert that there is better musical talent in the high school now than formerly. That may or may not be true, but it is certain that the success of the program was largely due to the untiring effort on the part of the two high school teachers, Miss Hall and Miss Ducker. Much credit is due Miss Igo, who helped drill the glee club, and to Mr. L. P. Albright, who kindly assisted in the chorus drill, and also to Miss Wert, who drilled the members of the duet, Florence Potter and James Ferguson. The high school is also deeply grateful to the trustees of the Congregational church, who allowed the use of their church for the concert.
