## NOTICE OF ELECTION.

### Courthouse Bond Proposition.

It was moved by Commissioner H. G. Sawyer and seconded by Commissioner T. J. Chaplin that the following preamble, resolution and order be adopted:

BE IT REMEMBERED, that at an adjourned meeting of the regular January, 1907, session of the board of county commissioners of Webster county, Nebraska, held at the court house in the city of Red Cloud in said county this 19th day of March, 1907, the said board being duly convened and in session for the transaction of all business that might properly come before it, and there being present W. Richard, chairman, and W. R. Anderson, T. J. Chaplin, J. G. Overman and H. G. Sawyer, commissioners, and Lee DeTour, county clerk, said board being regularly convened and called to order for the transaction of business said resolution was presented: WHEREAS, under the laws of the state of Nebraska, it is the duty of the board of county commissioners of said county to provide a safe and suitable court house and other necessary buildings for said county, and to provide suitable offices for the several county officers, and courtrooms and offices for the accommodation of the several courts of record in said county, and fire proof vaults and safes for the safe keeping of the county records, and

WHEREAS, the present courthouse of Webster county is an old frame building and wholly insufficient and inadequate to accommodate the several officers of said county, and the vaults therein are not fire proof and are inadequate in size and construction and afford no protection to the records of said county stored therein in case of fire, thereby endangering the title to the real estate in said county and other valuable rights and property of the said county and the citizens thereof, and

WHEREAS, a petition has been presented to this board purporting to be signed by a large number, to wit: over 800 of the legal voters of said county, asking that provision be made for a suitable courthouse and county offices, and the board deeming the same to be necessary and proper to be done at this time.

Therefore, be it resolved by the board of county commissioners of Webster county, Nebraska, in regular session as aforesaid at the courthouse in Red Cloud in said county on this 19th day of March, 1907, that a special election be and it hereby is called and ordered by said board to be held in said county of Webster at the various voting precincts thereof on the 30th day of April, 1907, for the purpose of submitting and to submit to the legal voters of said county the proposition which is set out fully in the following form of notice which is made a part of this order and resolution, which said proposition it will be necessary to carry out in order to enable said board to provide a suit-

able courthouse for said county, and suitable offices, rooms and vaults for the accommodation of the courts of record, the county offices and county records.

Said proposition is to vote for the issuance of the bonds of said county in the sum of seventy-five thousand dollars (\$75,000) for the purpose of obtaining funds to purchase the materials and labor and construct said courthouse at the county seat of said county of Webster; all as authorized by article 1 of chapter 18 of the compiled statutes of Nebraska, 1906, and particularly sections 25, 26, 27 and 28 thereof:

To the Legal Voters of Webster County, Nebraska:

Notice is hereby given that a special election is to be held in said county of Webster on Tuesday, the 30th day of April, 1907, there will be submitted to the legal voters of said county for their acceptance or rejection the following proposition, to wit:

Shall the board of county commissioners of Webster county, Nebraska, for and in behalf of said county, issue the bonds of said county in the sum of seventy-five thousand dollars (\$75,000) of the denomination of one thousand dollars (\$1,000) each, for the purpose of purchasing material for and building, constructing, furnishing and completing a courthouse building for said county in the city of Red Cloud, the county seat of said county, on the present courthouse square therein, all the cost thereof not to exceed the sum of seventy-five thousand dollars (\$75,000); the entire amount of the proceeds of said bonds to be payable to bearer at the office of the treasurer of the state of Nebraska at Lincoln, Nebraska, at the expiration of 10 years from the date thereof, but to be made redeemable at the option of said county of Webster at any time after the date of the issuance of the same, in the sum of one thousand dollars (\$1,000) or any multiple thereof, payable on the first days of January or July in each year; said bonds to draw 4 per cent interest per annum from the date of issuance of the same, payable semi-annually on the first day of January and July of each year, which interest payments shall be evidenced by interest coupons detachable and attached to said bonds payable to bearer at the said treasurer's office of the state of Nebraska. Each of said bonds and interest coupons to be dated July first, 1907. The said bonds to be negotiated at a sum not less than their face value and to be sold only in the amounts necessary at the times needed for the construction of the said courthouse building, and the interest coupons thereon which may be matured at date of sale are to be clipped therefrom so that said bonds will draw interest only from date of sale.

And shall said board of county commissioners of the said county of Webster or such officers of said county as may be charged by law with the duty of levying taxes of said county, in addition to all other taxes levied or caused to be levied annually upon all taxable property in said county, an amount of taxes sufficient to pay the interest on said bonds as the same mature.

And shall the board of county commissioners of said county or such other officers as may be charged by law with the duty of levying the tax of said county for the time being, levy, or cause to be levied, in addition to the tax levied in the year 1907 and each year thereafter, a tax upon all the taxable property in said county sufficient to pay not less than ten per cent nor more than twenty per cent of the principal of said bonds annually for the period of ten years or until a sufficient amount is raised to pay said bonds.

An old soldier writes about ARIOSOSA Coffee: "Your coffee is the best and richest coffee I ever drank since I left the service, from '61 until I received your coffee yesterday." A soldier knows coffee by the taste, and the way it makes him feel, and would sooner go without his bread than without his coffee. Arbuckles' ARIOSOSA was the first roasted, packaged coffee, packaged for

protection of consumers, roasted and the pores of each berry sealed with a coating of fresh eggs and pure sugar, to hold the goodness in and make the coffee settle clear and quickly. Better than "fresh roast." Warming a little develops the flavor and makes the grinding easy. Our enormous coffee business, exceeding the next four largest firms in the world together, reduces our

average cost per pound, and enables us to give you better coffee for your money than you can buy in any other way. There are more packages of ARIOSOSA sold in the United States than all the other Coffee packages combined.
