The Quiet Dresser

The Quiet Dresser is just as particular about the cut of his Suit as the ultra Fashionable Fellow.

While radical changes in styles do not appeal to him, he insists upon all the little variations that each season introduces. His Coat and Vest must be of the correct length and the lapels of the latest width and depth; and the Trousers neither too wide nor too narrow; but just right.

This is the store for these conservative and refined dressers. Our eyes are always focused on the new features as fast as they come out.

A choice variety of conservative models in every kind of Suiting—black, blues, many shades of grays, browns and all sorts of neat mixtures.

DUDLEY DECLINES.

Will Not Superintend the Red Cloud Schools Next Year.

The school board held a meeting Monday night at which teachers were elected for next year. The salary of the superintendent was raised from \$1,000 to \$1,100, and G. W. Dudley was re-elected to the position. Since the meeting, however, Mr. Dudley has filed notice with the board that he will not accept. We are not informed as to Mr. Dudley's reason for declining, and hope that he may be induced to reconsider his action. He has done splendid work here, bringing order out of chaos, and we will be sorry to see him leave. Following are the teachers for next year so far as chosen: Miss Bothwell of Garrison, principal of high school.

Mrs. Saylor, assistant principal. Grade teachers—Miss M. E. Tubbs of Peru, fifth and sixth; Miss Mabel Beckwith, third and fourth; Miss Perkins, first and second; Miss Sherman, primary.

First ward—Miss Viola Ward, fifth and sixth; Miss Alice Coombs, third and fourth; Miss Jennie Joy, first and second.

The positions of superintendent, principal of the First ward, a teacher for the seventh and eighth grades of that ward are to be filled.
