

Tribute to the Phonograph

Even John Philip Sousa, the great bandmaster, who has no use for Phonographs, has been forced to recognize the Phonograph as a formidable competitor. The two-step king says that people will no longer go to concerts if they can have music in their own homes so easily and so cheaply as they can with the Phonograph. This is an unwilling tribute, but it is nevertheless a tribute. The man who has a Phonograph has a concert in his own house. Even a king could not have more. At our store you can hear them any time.

OIL KING ELUDES MARSHAL

SEARCH FOR JOHN D. ROCKEFELLER GOES MERRILY ON.

SLEUTHS BESIEGE FOREST HILL

Deputies Continue Picketing Oil Magnate's Suburban Home at Cleveland, Marshal Chandler Admitted to Premises, but Does Not Find Him.

Cleveland, July 3.—Forest Hill, the suburban home of John D. Rockefeller is besieged by United States Marshal Frank M. Chandler and a corps of deputies representing the department of justice. Up to this morning the efforts of federal officials to serve the subpoena issued from Judge Landis' court in Chicago on Mr. Rockefeller have been unsuccessful and Marshal Chandler and his deputies will continue picketing the Rockefeller estate. Access to the lodge was denied a deputy marshal and Marshal Chandler announced that he would ask the department of justice at Washington for further authority in the case. Later he was admitted to the lodge and Superintendent Jones of the Rockefeller estate, informed him that he and his deputies could have the freedom of the place, a disclaimer being entered that the barring of the gate against the deputy marshal was meant as an affront to federal authority. Marshal Chandler would not say positively that he believed John D. Rockefeller is at Forest Hill, but he said he felt sure that the latter is now within the jurisdiction of the federal court of northern Ohio.

BURNS HUSBAND TO DEATH

Former Lover in Jail, Charged With Being an Accessory.

Scranton, Pa., July 3.—Mrs. Kindra Howrste, aged eighteen years, is in the county jail, charged with having burned her husband to death that she might be free to marry her former lover, Ignats Hutro, who is also in jail, charged with being an accessory. The police officials say that Mrs. Howrste has confessed and given all

the details of the crime. All the parties are Lithuanians. According to her confession, Hutro suggested that she do away with her husband so that they could be married. Following Hutro's suggestion, the woman got her husband drunk, and when he was stupefied in bed she went to the room with the kerosene lamp. She poured the oil from the lamp on the bed and then, she says, the lamp dropped on the bed, setting it afire. At the sight of her husband roaring and squirming in the flaming bed she became horror stricken and rushed from the house, crying "Fire." Neighbors extinguished the flames and had Howrste sent to a hospital, where he died without regaining consciousness.

COST OF KAUFMANN CASE

Witnesses and Experts File Claims for Testimony Given During Trial.

St. Paul, Minn., July 3.—The character of the bills which have been filed by some of the medical experts who were summoned to testify in behalf of the prosecution indicates that the recent trial in the state circuit court of Moody county on a change of venue from the circuit court of Minnehaha county of Mrs. Emma Kaufmann of this city on the charge of having murdered her young housemaid will prove quite expensive for the taxpayers of Minnehaha county, who will have to foot the bills. A bill for \$525 already has been filed by Dr. H. B. Schofield of Parkston. Dr. Frank E. Coulter of Omaha has filed a bill for \$1,250, while Dr. Arthur Sweeney of St. Paul has filed a bill for a similar amount. Drs. Coulter and Sweeney were the principal medical experts who were present at the trial and whose testimony strongly supported the cause of the prosecution.

Mrs. Kime and the children escaped uninjured aside from a few bruises, but Mr. Kime struck on his head and lived about half an hour.

The Burlington has not filed its schedules, but has given assurance that they will be in by the morning of July 5, when the law takes effect.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
