Our New Hair Vigor

Ayer's Hair Vigor was good, the best that was made. But Ayer's Hair Vigor, new improved formula, is better. It is the one great specific for falling hair. A new preparation in every way. New bottle. New contents. Ask your druggist to show it to you, "the new kind."

Ayer's
Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.

As we now make our new Hair Vigor it does not have the slightest effect upon the color of the hair. You may use it freely and for any length of time without fear of changing the color. Stops falling hair. Cures dandruff.

Made by the J. C. Ayer Co., Lowell, Mass.

Mr. and Mrs. W. B. Cramer came up from Red Cloud Saturday evening and spent Sunday at the home of Mr. and Mrs. Charles Cowley.

It's almost a sure fact that Bladen will have electric lights. The proposition is to form a stock company to run a lighting plant.

The Sunday school convention at Plainview last Sunday was a grand success, taking the attendance as a basis.

The meetings at the Baptist church continue with added interest every night. The evangelist is especially gratified with the results thus far. His work here will close with the meetings on Sunday, three of which will be held, including a meeting at 3 o'clock for men only. Alma will be the next point visited by Mr. Coulston, where his work will be mainly the securing of a pastor.

Boyd Smith and Roy Garber rode over to the Gus Roats pasture, just over the line in Kansas, Sunday, and returned with about twenty-five head of cattle, mostly yearlings and young stuff, which E. B. Smith will sell at public sale Saturday. They are grass fed cattle and a good looking bunch. The sale will be held at the farm of E. B. Smith, just north of town, and will be in charge of Auctioneer J. D. Fulton.

The office of county treasurer has been in charge of the present incumbent now almost two years and we are safe in saying, with all due respect to former occupants, that this county has never had a more capable and business like administration of its affairs than has been given by Mr. Frahm. He has been attentive to his duty, obliging to the customers, and careful in his work, and should any one deserve reelection certainly Mr. Frahm is that man.

Last Monday afternoon Frank Alles glad in the county clerk's office his petition as candidate for the office of commissioner from the 5th district. Frank has lived in this county for a good many years and is well and favorably known, especially in his home precinct. There are now a republican and one petition candidate for the office of commissioner in this district.
