

Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Do as he says, always.

VICTIM OF FOOTING DIES

Nethaway Sat in Court With Revolver. Senator Allen Endangered.

Norfolk, Neb., Dec. 7.—Mrs. Nethaway succumbed to her husband's shots. It was Nethaway's wish, in a letter he left, that the two tragedy victims be buried together. It transpired that former Senator Allen narrowly escaped death at Nethaway's hands twice this week. Monday and Wednesday Nethaway sat in the district court, just behind his wife, with a loaded revolver in his pocket. He resented Senator Allen's efforts to secure alimony for the woman. It is believed, had the case come to trial, Allen would have been shot. The daughter, Sophie Nethaway, will get \$10,000 life insurance. Nethaway left three death messages, one for the daughter and two for his sister, Lucy Nethaway, who is traveling in the state with a theatrical troupe. These have not been opened. E. Nethaway, father of the dead murderer, says the second shot was undoubtedly intended for Mrs. Fred Harder, who sat with Mrs. Nethaway, and whose hat was shot off. Mrs. Nethaway died in the city hall.

TWELVE THOUSAND IN FINES.

Nearly That Amount Levied Against Men Convicted of Land Frauds.

Omaha, Dec. 7.—Since the prosecution of the land fraud cases in the federal courts at Omaha during the last two years the total amount of fines assessed against the land men is \$11,825. The fines in detail are as follows: Bartlett Richards, \$300 and \$1,500; W. G. Comstock, \$300 and \$1,500; C. C. Jameson, \$500; Aquilla Triplett, \$500; John and Herman Krause, \$1,300; G. G. Ware, \$1,000; R. W. Mahaffey, \$500; A. F. Hatch, \$300; D. M. Gourley, \$300; Sykes & Smith, \$225; T. M. Huntington, \$1,000; A. B. Todd, \$1,000; Fred Hoyt, \$1,000, and Harry Welsh, \$300. Of the thirty-one cases thus far tried for violation of the land laws twenty-six convictions have been secured. There yet remains twenty-three cases to be tried.

Balk on Wages of Convicts.

Lincoln, Dec. 9.—The chances for the Lee Broom and Duster company to get convicts next year for 50 cents a day to make brooms are pretty slight. Some time ago Treasurer Brian said he would not vote for a contract which only allowed 50 cents a day for the work of the convicts and Secretary of State Junkin said the same thing. Mr. Junkin said he favored putting in a binding twine plant or letting the convicts do nothing rather than again hire them out to this company for 50 cents a day.

Clark to Be Granted Hearing.

Lincoln, Dec. 9.—Governor Sheldon said he would today grant a hearing to Harrison Clarke, the Omaha negro, who is under sentence to be hanged next Friday in the penitentiary. Clarke was convicted of killing a street car conductor. Benton Bell, another Omaha colored man, is in Lincoln to plead for Clarke at the hearing. Mercy, and not legal rights, now constitute the plea of Clarke's friends.

Nethaway and Wife Lie Apart.

Norfolk, Neb., Dec. 9.—The plan to bury V. R. Nethaway and the wife whom he shot to death on a train here side by side was overruled by Mrs. Nethaway's grief stricken parents, Mr. and Mrs. George Daily of Ord. The dual funeral was favored by the parents of the suicide and murderer. Both tragedy victims were buried here in Prospect Hill cemetery.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle Home of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Catarrh

A Guaranteed Cure

One thousand retail druggists, who are the leaders of the drug trade of the United States, and that means the world, rated by Bradstreet's and Dun's at twenty million dollars and whose retail business aggregates over seventy million dollars annual sales, have agreed to give their name, financial backing and endorsement to the guarantee that Rexall Mucu-Tone will cure any disease or trouble arising from catarrh or they will refund the money. We are proud of our connection with the Rexall Remedies, particularly so of Mucu-Tone, because a remedy must be something out of the ordinary to get our backing. It is not all profit that leads us and our one thousand associates into endorsing this remedy; it is our years of experience with medicines and our knowledge of them that makes us believe that Rexall Mucu-Tone is a bona-fide discovery for the cure of all ailments due to catarrhal affection. We know that it is not a cure-all, but a remedy built on scientific lines and not a patent medicine as each one of the one thousand druggists knows its formula and its value. It has one great additional value besides curing constitutional catarrh—that it is a system builder. No such tonic was ever before designed for the curing of inflammation of the mucous membrane—nor can it be improved on in the present age. Just stop and reason with yourself for one minute. We are doing business right here in your midst. Could we afford to offer our name and endorsement to Mucu-Tone as we do if we did not know that it was an honest medicine? Could we afford to agree as we do that we will refund every penny paid us for the medicine if it does not benefit.

All we ask is the customer's word and the empty bottle and we hand the money back. No signed certificate. We believe the public, especially the sick, are honest, certainly every sick person who suffers from any of the following ailments should take advantage of our offer to-day. Rexall Mucu-Tone cures catarrh of the nose, throat, stomach, intestines, liver, kidneys or bladder, and any who are convalescing from sickness of any kind should take advantage of our offer and purchase what we recommend as the best tonic ever sold in a drug store. We have a large trial size at fifty cents and we guarantee it or refund your money.

THE **Rexall** STORE

A REASON

The Rexall Remedies deserve confidence.

As all these Remedies are grouped under one name they must succeed or fail together. There must be no weak links in this chain. One unworthy remedy would mean disaster for the entire plan. If you, for example, purchased the Rexall Cough Cure and were not cured by it, how could we expect you to place any faith thereafter in the Rexall Dyspepsia Cure or any other member of the Rexall family?

You can understand, therefore, why such anxious care was given to finding and choosing the remedies to which the name "Rexall" was given. We have admitted none to this circle until our committee of experts had been convinced by investigation and test that it was the best remedy known to medical science for the ailment it aimed to relieve.

Who should know better than the leading thousand druggists of this country what are, and what are not, efficient medicines?

Remember, the success of our enterprise depends on the merit of each individual remedy. Our reputation, which is our very business existence, is at stake. Can you doubt that in buying a Rexall Remedy you are buying the best that science and experience can give you?

INFLAMMATORY RHEUMATISM CURED IN 3 DAYS

Morton L. Hill, of Lebanon, Ind., says: "My wife had Inflammatory Rheumatism in every muscle and joint; her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed six weeks and had eight physicians, but received no benefit until she tried Dr. Detchon's Relief for Rheumatism. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life." Sold by H. E. Crice Druggist, Red Cloud.
