Four Years Ahead of the Pure Drug Law!

There is one line of medicines in which no change in formulas is necessary in order to conform with Uncle Sam's new Pure Food and Drug Law.

Rexall Remedies were made to conform with this law in every particular four years ago—long before this law was thought of!

At that time one thousand leading druggists of the country, owing to the unsatisfactory way in which they had to sell patent medicines, decided to form a co-operative company and manufacture a line of remedies for which they could stand absolutely responsible from their knowledge and control of ingredients in these cures.

The plan of Rexall Remedies was the result. Could these thousand druggists then have foreseen the new Pure Food Law, and known every clause of it, they could not have made the Rexall plan conform to it more closely.

There is nothing secret about Rexall Remedies, and there never was!

For years Rexall ads have told the public that each Rexall druggist had the formula of every Rexall Remedy on file, and would willingly give any formula to whoever asked for it.

Moreover, Rexall Remedies protect you more than the Pure Food Law does. You now only know the dangerous drugs in patent medicines—we know and have always known everything in Rexall Remedies—and have always been glad to show you the printed complete formulas.

No Rexall Remedy is a "cure-all." Each of the 300 remedies has a formula which years of experience have shown to be the most reliable cure for a certain human ill.

The proof of our confidence in Rexall Remedies is the Rexall guarantee. Every Rexall sale we make is with the understanding that if the purchaser is dissatisfied he or she can get back the money paid, by simply returning the empty package or bottle. For four years the sincerity of this offer has never been challenged.

A few of the 300 famous REXALL Remedies, one for each human ill, are:

FOR CATARRH—MUCU-TONE

The chief ingredients of Mucu-Tone are Gentian, Capsic, Cascara Sagrada, Glycerine and Sassa-parilla. Certain is recognized in medicine as one of the greatest tonics ever discovered. It combines the tonic powers of all known "bitters," with none of the disadvantages attending any. Capsic has long been recognized as a specific in the treatment of all catarrhal conditions. Its action is prompt and its benefit almost instantaneous. Cascara Sagrada is a fully introduced purgative with laxative properties. The combination of these with Glycerine and Sassa-parilla makes Mucu-Tone a remedy that attacks catarrh from every point and the function of the diseased tissues. Bottle, 25c.

FOR NERVES—AMERICANITIS ELIXIR

The Rexall Americanitis Elixir is a tonic, nerve and blood compound, chiefly of Iron Phosphates, Glycophosphates, Iron Pyrophosphates and Calcium. The beneficial results of this remedy are so marked that it can be used in a condition in which it can be immediately and easily taken by itself. This Glycophosphates, actual nerve tissue builders and one of the most recent and valuable additions to this branch of medicine and unquestionably a more efficient remedy than the well-known Hypophosphites. The Iron Pyrophosphates are the most easily assimilated form of iron which give tone and color, and this combined alkaloid of calcium has a tonic effect on almost all the functions of the body. See our \$1.50 a bottle.

REXALL "93" HAIR TONIC

The famous Rexall "93" Hair Tonic is composed in chief of Resorcin, Beta Naphthol and Pilocarbin. Resorcin is one of the latest and most effective germicides discovered by science, and is combined with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which not only destroys the germs which rob the hair of its nutriment, but creates a clean and healthy condition of the scalp, which prevents the development of new germs. Pilocarbin is a well known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. It is not a coloring matter or dye. This combination of curatives mixed with alcohol as a stimulant, perfects the most effective remedy for hair and scalp troubles known today. Per bottle, 50c.

"REXALL" ORDERLIES

The New Laxative

If you suffer from constipation or a sluggish liver, we want you to try this newest member of the Rexall family. It has never failed. "Rexall" Orderlies have all the virtues and none of the defects of those laxatives and cathartics already known. They are the "sassa-parilla" flavored tablets that exert a re-adjustment of Nature's functions—without any nausea, or purging. Pleasant to the taste—they give immediate relief. A child will never tell you that they are the best laxative and cathartic ever prescribed. See a box of 10 tablets, 25c; a box of 36.
