

PLOT AGAINST FLEET

ANARCHISTIC CONSPIRACY UN-EARTHED AT RIO DE JANEIRO.

Brazilian Police Are on Trail of Arch-Conspirator—Planned to Damage One or Several of the Ships of the American Fleet.

Rio Janeiro, Jan. 20.—The Brazilian police have discovered an anarchistic plot here, having as its object the destruction of part of the American fleet now lying in the harbor. The conspiracy, while centering in Rio Janeiro and Petropolis, has ramifications in Sao Paulo and Minas Geraes. An individual named Jean Fedher, who resided in Petropolis, was the chief conspirator here, although it is understood that foreign anarchists are deeply involved in the plot. Fedher is believed to have fled to Sao Paulo and the police have been sent to that place for the purpose of apprehending him. One of the detectives, who is well acquainted with Fedher, having served on the police force at Petropolis for some time, returned from that place, after having made investigations there and had a long conference with the chief of police at Rio Janeiro. The latter said that the Sao Paulo police are on the track of the arch-conspirator and expect to arrest him soon. In an official note which the chief of police sent to the correspondent of the Associated Press, he says:

"Some time before the arrival of the American fleet at Rio Janeiro, the Brazilian government received word from Washington and Paris that anarchists of different nationalities intended to damage one or several of the ships of the American fleet. The names and addresses of the conspirators were indicated by information which the police here had received previously from France and Germany. The police of this district are working with the police of Sao Paulo and Minas Geraes, and I am sure every precaution will be exercised and the most rigorous vigilance observed, both on land and sea, to prevent any injury being done."

The chief of police, after having made this official statement, said he did not feel he should go into any further details with regard to the conspiracy, but he authorized the statement that the plot was organized by Fedher, and he added that the people of the United States could rest easy, as all of the conspirators had taken refuge in the interior.

As yet the people of Brazil are ignorant of the details of the plot to do injury to the visitors, although there has been some slight inkling of the matter. The impression which the exposure of this plot will create here will be a profound one, because it is the first anarchistic conspiracy that has ever been known in Brazil.

The police of Sao Paulo have sent word that they are on the track of the malefactors, who, they declare, will not be able to come to Rio Janeiro.

ENTOMBED MINERS RESCUED.

Three Men Buried Alive Forty-six Days Are Released.

Ely, Nev., Jan. 20.—After having been entombed forty-six days in the Alpha shaft of the Groux mine, A. D. Bailey, P. J. Brown and Fred McDonald have been rescued.

At 8:30 last night Bailey was brought out. Fourteen minutes later McDonald came to the surface, while ten minutes afterwards Brown was brought up. Whistles all over the district blew loudly, while crowds cheered in the streets of Ely and every bell in the town was ringing.

"Ah!" This was the first exclamation of Bailey when he reached the outer air. Without another word he tottered forward into the arms of comrades, who stood ready to assist him, and was led to the change room of the Alpha shaft, where in a few minutes he recuperated.

"Is that you, Arthur?" queried Fred McDonald as his brother stepped forward and embraced him after nearly seven long weeks of separation. "By George, it certainly seems good to be out of that hell hole," he said as he was led away, telling his brother in a high pitched voice of his terrible experience.

"Say, somebody give me a chew of tobacco," said Brown. "I'm on the bum all right."

With a happy laugh he was led off by a comrade to the change room.

These experiences were characteristic of the temperaments of the released men. All were supremely happy and relieved.

Bodies of Twenty-Four Unidentified Victims Interred in Trench.

Boyetown, Pa., Jan. 20.—The bodies of twenty-four unidentified dead, who lost their lives in the Rhoades Opera House fire last Monday, were buried in Fairview cemetery in this place. Upwards of 10,000 persons attended the services that marked the interment of the fire victims, who were buried in one long circular-shaped trench. The ceremonies were of the simplest. Each body was encased in a plain coffin and they lie separated in the ditch by brick walls. The total death list is 173.

Don't Try Uncertain Recipes.

It is entirely unnecessary to experiment with this, that and the other recipe. Get from your grocer, for 10 cents, a package of "OUR-PIE" Preparation—Lemon, Chocolate and Custard—for making pies that are sure to be good. 5

PARKER'S HAIR BALSAM

Cleanses and beautifies the hair. Promotes a luxuriant growth. Never Fails to Restore Gray Hair to its Youthful Color. Cures scalp diseases & hair falling. Sold and \$1.00 at Druggists.

Rexall "93" HAIR TONIC

In these days when youth is the moving factor—when man has made his mark at thirty-five and is dubbed a "has been" at forty; when business houses pension the man we used to call "middle aged," rather than allow his lagging influence to intrude upon the modern commercial rush—a bald head is a serious handicap.

In the social world it is equally bad for a man, while for a woman—it is fatal.

Few people can afford a bald head. Even those who can—those who are fixed socially, financially and matrimonially—have no wish to do so. But afford it or not, thousands of us are bald, either partially or wholly.

What caused baldness—whether an inherited tendency; whether through undue mental effort, sickness, dandruff or other scalp disease—makes no difference. What we want is HAIR.

Millions of dollars have been spent in vain efforts to grow hair on bald heads. Other millions have been spent in an effort to restore faded gray hair to its natural shade, and still others to banish dandruff. And still dandruff declined to disappear; hair refused to grow; lost tints of brown, blonde and auburn failed to return.

All this, however, is of the past. Failures have given place to success. A real hair tonic has at last been found. **REXALL "93" HAIR TONIC** is a positive cure for all hair and scalp troubles. It is not sticky or gummy, will not thicken on hair, does not become rancid, has no disagreeable odor. It is clean, agreeable and pleasant to use.

REXALL "93" HAIR TONIC

Cures all cases of dandruff, falling hair, irritation of the scalp, baldness, premature fading, scanty growth, and all those annoying affections of the scalp which scientists have found to be due to the presence of microbes. **REXALL "93" HAIR TONIC** restores the hair by first killing the microbes, by supplying a nutritive food element upon which the injured hairs may feed and regain health and strength by cleansing the scalp and strengthening the hair follicles. It assists nature to restore the color by making the hair healthy and enabling it to draw its own coloring matter from the pigment glands in the scalp. It is not a dye.

Remember that dandruff is proof positive that microbes are at work on the roots of your hair. Then is the time to buy a bottle of **REXALL "93" HAIR TONIC** and begin treatment. Don't wait until you are bald.

"GREATLY ADDS TO BEAUTY."

"I can most highly recommend **REXALL "93" Hair Tonic** as the best of preparations for the preservation of the hair and the promotion of its healthy growth. It not only preserves the hair and stops it from falling, but it gives it a gloss and sweetness which greatly adds to its beauty. Every woman should use **REXALL "93" Hair Tonic** as a dressing to the hair if she desires to keep her hair in the best condition."

—Mrs. J. C. HALL, Palmyra, N. Y.

THE STORY OF **REXALL "93" HAIR TONIC.**

Before placing **REXALL "93" HAIR TONIC** on the market we realized that we had a formula of exceptional value, and yet we determined to give it a thorough trial before we offered it as a **Rexall** preparation. We therefore wrote to one hundred druggists in as many cities, asking the name of one customer who suffered from a disease of the hair and scalp. To each of these customers we sent three bottles of the hair tonic and asked them to try it and report upon it.

THE RESULT: Five reported no answer, two reported adversely and

NINETY-THREE sent enthusiastic reports of the remedy and gave details of the splendid effect in each individual case.

We therefore selected "**NINETY-THREE" HAIR TONIC** as the name of this preparation, which we believe to be the best. Could any other name be so significant of merit? Any test have been more fair? Any results more encouraging?

In buying **REXALL "93" HAIR TONIC** you take no chances whatever. If after a trial you are not more than satisfied we will promptly and cheerfully refund your money.
