

Newsy Notes From Neighboring Towns

GATHERED FROM OUR EXCHANGES

CAMPBELL

(From the Citizen.)

Mr. and Mrs. Ed Glebe are parents of a new boy baby.

Mrs. Clyde Logan is still on the sick list. Her mother, Mrs. Webber, arrived Monday.

Henry Albers was called to Lincoln by a message announcing the serious illness of her mother.

Mr. P. C. Oberg and family for Far-nam Monday, where they will make their future home.

William Patterson went down to Red Cloud Monday to spend about a week browsing around among friends and relatives.

The sad intelligence was received here that Mrs. S. K. Hardy, who was visiting relative near Culbertson, died Thursday morning.

A most pleasant surprise was arranged at the home of Mr. and Mrs. By Burt Friday, in honor of the 83rd birthday of Grandma Crosby.

BLADEN

(From the Enterprise.)

Born, to Mr. and Mrs. Frank Fish, a good-looking girl.

Frank Haller sold a team of two-year-old horses on Wednesday of this week to Frank and Oscar Cather for \$340.

Lola, one of the four-months old twin babies of Mr. and Mrs. W. W. Davis, south of town, died Wednesday from pneumonia.

A letter recently received by us from G. P. Cather, Jr., from San Francisco, Cal., states that he is now in the United States naval school.

H. B. Boyd and Warren Davis went to Hastings Monday to complete a deal for 1000 acres of land which they purchased while in old Mexico last fall.

Mrs. H. B. Boyd, Mrs. Thos. Burden and Mrs. Stricker, who have been on the sick list for some time, we are pleased to state are on the road to recovery.

RIVERTON

(From the Review.)

Mr. and Mrs. Louis Schriner are on the sick list this week.

Little Helen Taylor is on the sick list this week, caused by some new teeth.

Mrs. Nathan Glick, who has been bedfast several days with the grip, is again able to be about.

C. R. Rakestraw has a live snail on exhibition at his restaurant which was found in a bunch of bananas.

Mr. and Mrs. William Polly, who left this place a short time ago to go to Maryville, Mo., have concluded to move back to Riverton.

Here is a record breaker in the dairy business. For the month of January, Perry Bennett's cream check was \$21.95, which was secured from the cream sold from two cows. Besides that amount they kept cream enough to make butter enough for their own use.

FRANKLIN

(From the Sentinel.)

The family of John Blank is sick with diphtheria.

Mr. and Mrs. Chas. Shoemaker left Tuesday for Omaha, where the latter will undergo an operation.

Jim and Ollie Sturdevant went to Strang Sunday for the purpose of attending the funeral of their brother John's wife.

George Dyer, son of Mr. and Mrs. J. W. Dyer, died Tuesday morning, near Smith Center, aged 40, his death being due to heart failure.

Dorsey Shoemaker and his brother Edgar went down to Lincoln the first of the week, where it is most likely the latter will submit to an operation for tuberculosis of the bone.

The family of Rev. Gately has had more than its share of sickness for the past several days. All of the children were afflicted with measles, three of them at the same time, which ought to have been enough, but on top of that Mr. Gately had a very severe attack of the grip.

SMITH CENTER

(From the Messenger)

M. E. Phillips died at his home one-half mile north of town Friday night from pneumonia and abscess on the

liver after a serious illness of about twelve days. He was 60 years ago.

Dr. W. B. Slagle was down to Esbon Monday and Tuesday in consultation with Dr. Kittner, over H. B. Keim, who is quite sick.

Harry Stevens, who will be remembered by many here, committed suicide at his home in Oregon last week.

Lafe Neal, living in the north part of town, made another attempt yesterday afternoon to hurry himself out of this world of trouble, this time by the razor route. He got his razor out to shave himself, and after he finished the job of shaving he took a swipe at his throat, cutting an ugly gash across the front of his neck, but did not get far enough to the side to catch the jugular vein.

LEBANON

(From the Argus.)

John Gibbs and Miss Ada Stump were married at the bride's home, near Salem, Wednesday, February 12.

Lafe Linton and a man named Chambers, from Kansas City, are making preparations to open an auto livery here.

George Corbin went to Brown county, Monday, to trade some of his money and his rheumatism for a good brand of health.

Miss May Smith, who has been very sick for some months, was taken to a hospital at Lincoln, Neb., Thursday for treatment.

The infant born to Mr. and Mrs. Will Frazier of Logan township, Wednesday, died the following day. Mrs. Frazier is in a critical condition.

Ike Myers, Jim Wiggs, Chas. Anderson, Clarence Hudson and John McClaren started for Rocky Ford, Col., Monday evening in the interest of a land deal.

The drill casing and machinery be-

longing to the Home Oil and Mining Co. of Lebanon was sold Wednesday to eastern parties. The company was trying to find out what was under this part of the state, blowed in all the money that was subscribed, and then mortgaged the outfit and went deeper, but had to stop a little short of two thousand feet. If anything of value was discovered the company never found it out.

BLOOMINGTON

(From the Tribune.)

Mrs. Gustav Fischer died February 13. She was 52 years of age and was born in Germany.

D. M. Gregg has received notice that he has been allowed a pension of \$20 per month, having passed the age of 75 years.

Dr. Ella P. Sumner went down to Omaha this week with Mrs. Susie Shoemaker, who will undergo an operation performed.

There is no truth in the report that John W. Kirkbride, while in Mexico, tried to elope with Carrie Nation, who is now sojourning in that country.

The P. E. O.'s gave a 7 o'clock dinner last Wednesday evening at the home of Mrs. E. J. Holmes, in honor of Miss Amy Smith, one of their members, who is soon to leave for her new home in Missouri.

SUPERIOR

(From the Express.)

Dr. and Mrs. L. H. Beck gave social parties last Thursday and Friday evenings.

Wm. Buckles has received an I. O. O. F. medal or pin for being a member of that order twenty-five years.

Several robberies are reported recently. Sam Weaver lost a good hat and one of the Hackler boys lost a lap robe.

A number of the friends of Mr. and Mrs. O. L. Dunbar gave them a very complete and pleasant surprise Saturday night. They are going to Ottawa, Kan., to live.

Bagley & Jones are putting in acetylene lights in the new Dahlgren building this week. This is the first busi-

ness house in Superior to adopt these lights.

Frank Abbot was losing a car of horses yesterday when four that were tied together became frightened and broke away, tearing up town at great speed. They ran on to the sidewalk in front of Kesterson's store and one fell with such force as to crack the plate glass clear across.

GUIDE ROCK.

(From the Signal.)

Mrs. A. J. Hayes was sick the fore part of the week.

Mr. and Mrs. Allum have a new babe, born last week.

Born, Sunday, February 10, to Mr. and Mrs. A. J. Kindig, a daughter.

M. Neal was called to Missouri Thursday owing to the serious illness of his father.

Mrs. G. M. Simpson and daughter Mabel were both ill several days, but are improving.

Mrs. Earl B. Cray is reported as gradually improving, at the College View sanitarium.

On February 16 Mr. and Mrs. Robert Garrison celebrated the twentieth anniversary of their wedding.

H. B. Hunter took a shot at a flock of pigeons Wednesday and brought down thirteen of them. He seems to be as great a hunter as his name implies, and explained to our reporter that he was naturally a good shot, having been a "Hunter" as long.

BLUE HILL.

(From the Leader)

Roy Garber of Red Cloud is employed in the Star livery barn.

Fritz Nable was given a genuine surprise on his 64th birthday, which was last Monday.

O. W. Taber was home a few days last week. He informs us he expects to move to the San Luis valley in the spring.

Walter Scott is circulating a petition among the business men and patrons of this postoffice for their signatures asking his appointment as post-

master here, and he will forward it to the postoffice department.

F. C. Buschow has been confined to his house for several weeks from a severe attack of the grip. He is improving slowly now and soon expects to be his former hearty self again.

Notice of Incorporation.

Know All Men by These Presents: That we, Wallace A. Maynard, William Wolfe and William Engels do hereby associate ourselves together for the purpose of forming and becoming a corporation in the state of Nebraska, for the transaction of the business herein described.

The name of the corporation shall be the Red Cloud Hardware and Implement company.

The principal place of transacting its business shall be in the city of Red Cloud, in the county of Webster, and state of Nebraska.

The nature of the business to be transacted by said corporation shall be the buying and selling of all kinds of merchandise.

The authorized capital stock of said corporation shall be forty thousand dollars (\$40,000) in shares of five hundred dollars each.

The corporation shall commence business when twenty-five thousand dollars of the capital stock is paid up.

The board of directors of said corporation shall determine when the balance of said stock shall be paid in.

The existence of this corporation shall commence on the 27th day of February, 1908, and continue during the period of fifty years.

The business of said corporation shall be conducted by a board of directors not to exceed five in number to be elected by the stockholders.

The officers of said corporation shall be president, secretary and treasurer, who shall be chosen by the board of directors.

The highest amount of indebtedness to which said corporation shall at any time subject itself shall not be more than one-third of its capital stock.

WALLACE A. MAYNARD,
WILLIAM WOLFE,
WILLIAM ENGELS.

Dated this 27th day of February, 1908. 9-12

Eyes Tested Free

OPTOMETRY

Optometry is the science of measuring the refraction of the eyes and the fitting of Spectacle Lenses

Eyes Tested Free

Many people suffer from headaches which would be relieved by the use of properly fitted spectacles. Children suffer with inflamed eyes, sick headaches, stomach troubles and many other ailments which are relieved by the use of spectacles. For twelve years we have fitted spectacles in this city and our best recommendation is

the host of satisfied customers; many of whom have tried other optometrists without success and have paid from one and one-half to double our prices before coming to us. In frame fitting our long experience assures you a perfect fit

We use no drugs of any kind in the eye as they are unnecessary and often dangerous
