Postal Deficit Exceeds \$15,000,000.  
Washington, April 22.—Figuring on  
the basis furnished by the returns for  
the first two quarters, the deficiency  
in the postoffice department for the  
current fiscal year will exceed \$15,000,-  
000.

## CASTRO CLOSES LA GUAYRA

American Gunboat Sent to Venezuelan  
Waters on Peaceful Mission.  
Washington, April 22.—An American  
war vessel will be sent to Venezuelan  
waters, but her mission is to be an  
entirely peaceful one. The closing of  
the port of LaGuayra because of the  
existence of what is believed to be hu-  
bionic plague there has made it neces-  
sary for the state department to have  
at hand some vessel to be used as a  
dispatch boat by Minister Russell in  
sending messages to Curacao and for  
taking cablegrams to him for the  
state department. One of the smaller  
gunboats now in West Indian waters  
will be used for this purpose. The  
vessel will ply between Puerto Cabello  
and the nearest cable station. Puerto  
Cabello, according to Minister Rus-  
sell's dispatch to the state department,  
is still open. American Minister Rus-  
sell at Caracas cabled the state de-  
partment regarding the situation at  
LaGuayra and expressing the general  
belief that the disease there is the  
plague. No steamers are touching at  
the port, which has been quarantined  
for fifteen days, and traffic is suspen-  
ded on the railway.

## MORE TROUBLE AT PENSACOLA

Mob Attacks Street Car and Fatally  
Wounds Conductor.  
Pensacola, Fla., April 22.—After a  
week of quiet, with the state troops  
present to preserve order, Pensacola  
was again thrown into a turmoil when  
a mob of twenty-five men attacked a  
street car in the suburbs and probably  
fatally wounded the conductor, G.  
Hoffman. Following this attack, W. L.  
Wittich, Jr., a stenographer, was fired  
upon by unknown persons as he was  
approaching a car in the city to ride  
to his home. While the city is quiet,  
considerable nervousness is shown on  
all sides, further outbreaks being  
feared.

Attorney General Disappointed.  
Lincoln, April 21.—Attorney General  
Thompson expressed keen disappoint-  
ment when he learned of the decision  
of the supreme court of the United  
States in the mandamus case against  
Judges Munger of the federal court.  
He stated that the cases involving the  
legality of the reform legislation in  
Nebraska probably will have to be  
fought out in the federal courts. The  
attorney general sought to have the  
hearings in the Nebraska courts.

Burlington Shops Closed.  
Lincoln, April 18.—The Burlington  
shops at Havelock closed. Six hun-  
dred men are out of employment.  
Lack of repair work was the reason  
assigned. The shops were also closed  
at Alliance, Plattsmouth and else-  
where on the system in Nebraska.  
Next week there will be another brief  
shutdown. This policy will be fol-  
lowed as long as repair work is lack-  
ing.

John N. Baldwin at Rest.  
Omaha, April 22.—The last earthly  
rites were performed over the body  
of John N. Baldwin, late general so-  
licitor of the Union Pacific railroad,  
at All Saints' Episcopal church, Rev.  
T. J. Mackay officiating. Mr. Baldwin  
was buried in Council Bluffs, his na-  
tive city.

Dr. Walden Ends His Life.  
Holdrege, Neb., April 21.—Dr. J.  
Ransom Walden, a prominent physi-  
cian here, committed suicide in his of-  
fice by taking poison. He was found  
dead by his father. A note to his  
wife told how to settle his affairs. No  
reason can be assigned for his act.

Eight Ruff Jurors in Box.  
San Francisco, April 21.—The third  
week in the case of Abraham Ruff,  
former political boss, on trial for bribe-  
ry, began here. Three more jurors  
were sworn in, making eight now in  
the jury box, who have finally been  
accepted and sworn. There remains  
to the prosecution but one peremptory  
challenge and to the defense three.

Vanderweerd and Mason on Trial.  
Durango, Colo., April 21.—The trial  
of Joseph Vanderweerd and William  
Mason, charged with the murder of  
Joseph Walker, United States secret  
service agent at Hesperus last fall,  
was begun in the district court here.

More Indictments at Kansas City.  
Kansas City, April 22.—The grand  
jury returned indictments against 142  
actors, managers and employes of local  
playhouses. The indictments are  
for violations last Sunday. The peo-  
ple indicted will be arrested and  
placed under bonds.

Sanders Elected Governor of Louisiana  
New Orleans, April 22.—Returns  
from the state elections indicate that  
the Democratic ticket headed by J. Y.  
Sanders for governor, has been elected  
throughout.

Kills Himself With Shotgun.  
North Bend, Neb., April 17.—Frank  
Hanks shot and killed himself in his  
room in a local restaurant. Sitting  
on the edge of the bed, he discharged  
the contents of a shotgun in his neck  
and died instantly. Hanks had be-  
come despondent over an illness from  
which he did not seem to be able to  
recover.

## FEDERAL COURTS KEEP CASE

Supreme Court Refuses to Remand  
Rate Cases to State Courts.

Washington, April 21.—The su-  
preme court of the United States re-  
fused a writ of mandamus requested  
by the state of Nebraska in the case  
of the state against the Chicago, Bur-  
lington and Quincy railroad compelling  
United States District Judges W.  
H. and T. C. Munger to remand back  
to the supreme court of Nebraska the  
suit begun by the state to enjoin the  
debtor company from charging for its  
interstate traffic more than the rate  
fixed by the state statute.

Chief Justice Fuller announced the  
court's decision, saying that the ques-  
tion involved was whether there was  
in the case a controversy wholly be-  
tween citizens of different states, to  
the complete determination of which  
the state of Nebraska was not an in-  
dispensable party. "If defendant's  
contention was correct," he said, "the  
action could have been originally  
brought in the federal court and its  
jurisdiction of the case was complete  
on removal from the state court. The  
circuit court was called upon to de-  
termine that question and to exercise  
judicial discretion in deciding it. This  
being so its jurisdiction was com-  
plete, and if it erred, its remedy is not  
writ of mandamus, which cannot be  
used to perform the office of an ap-  
peal or writ of error."

Justice Fuller said the court an-  
alyzed the nature of the proceeding,  
showing that there was nothing in  
such an action which affected the state  
as such, and that the relief sought did  
not inure to the state alone and that a  
decree in favor of the plaintiff would  
not effectively operate in favor of the  
state. The circuit court might clearly  
have been correct in its decision that  
the present case was one in which the  
state of Nebraska was not the real  
party plaintiff, but that the decision  
could not be reviewed by mandamus.  
The circuit court was called upon to  
decide whether the state named had  
any real or legal interest in the con-  
troversy, and it was a decision which  
the court had a right to make, involv-  
ing no abuse or judicial discretion. A  
premature review cannot be obtained  
by a writ of mandamus. He concluded  
that the remedy was by appeal and  
not by mandamus and therefore dis-  
missed the petition for such a writ.

Subtraction had just been introduced  
in the small girl's class, and that evening  
she was zealously writing in her  
home work book.

"What are you doing?" asked her  
mother.

"We have new examples now," was  
the reply. "We add backward."

Man for man, if not woman for  
woman, the humility and terror of  
Americans in the presence of Eng-  
lish people of their own class or  
above it is, with whatever care dis-  
guised, a pathetic thing.—London Out-

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind,  
discourages and lessens ambition; beauty,  
vigor and cheerfulness soon disappear  
when the kidneys are out of order or dis-  
eased.  
Kidney trouble has become so prevalent  
that it is not uncommon for a child to be  
born afflicted with weak kidneys. If the  
child urinates too often, if the urine scalds  
the flesh, or if, when the child reaches an  
age when it should be able to control the  
passage, it is yet afflicted with bed-wet-  
ting, depend upon it, the cause of the diffi-  
culty is kidney trouble, and the first  
step should be towards the treatment of  
these important organs. This unpleasant  
trouble is due to a diseased condition of  
the kidneys and bladder and not to a  
habit as most people suppose.

Women as well as men are made miser-  
able with kidney and bladder trouble,  
and both need the same great remedy.  
The mild and the immediate effect of  
**Swamp-Root** is soon realized. It is sold  
by druggists, in fifty-  
cent and one-dollar  
size bottles. You may  
have a sample bottle  
by mail free, also a Home of Swamp-Root  
pamphlet telling all about Swamp-Root,  
including many of the thousands of testi-  
monial letters received from sufferers  
cured. In writing Dr. Kilmer & Co.,  
Binghamton, N. Y., be sure and mention  
this paper. Don't make any mistake,  
but remember the name, Swamp-Root,  
Dr. Kilmer's Swamp-Root, and the ad-  
dress, Binghamton, N. Y., on every  
bottle.
