While working for Frank Crabill, Merlin Butler had the misfortune to cut his left leg just above the knee with a corn knife which he was using. He severed one of the tendons and an artery, making a bad wound which will lay him up for some time.

The G. A. R. reunion of the south-eastern district of Nebraska will be held in McKinley park at Cambridge, August 31 to September 5. A cordial invitation is extended by the management for all to attend and join in the good time they expect to have.

School, with the exception of the kindergarten in the north ward, will begin Monday morning. The kindergarten will not begin until a week later on account of the teacher, who comes from Massachusetts, and is unable to get here before that time.

**WANTED**—At once, 25 or 30 young men and women to take a course in Multigraphing. Course can be completed in from one month to six weeks. We have a position waiting for you as soon as you are ready. Salaries run from \$15 to \$20 per week for beginners. Who will be the first to enroll? Tuition for complete course \$25. For further particulars address the Hebron Business College, Hebron, Neb.

A number of our subscribers are so far in arrears on their subscription that unless they come in and settle we shall have to drop them from the list which we hesitate in doing. We suppose that if you do not want the paper you will have the manhood to come in and say so and not continue to receive something which you do not intend to pay for. Look at the date on your paper and if you are in arrears come in and see us about it.

Don't forget the next excursion dates of the Red Cloud Investment Co. are the first and third Tuesdays in September. While business is not very pressing on the farm take a few days outing and visit the "Newest Land of Promise," where good cheap land abounds with diversified crops, where the very sight of it will make you "open the latch of your pocket-book and say, 'I'm going to have some of that.'"

**THE RED CLOUD INVESTMENT CO.**  
Advance sheets of the premium list of the National Corn Exposition, to be held in Omaha during December, show that a ten ear sample of corn will win \$1000 in gold on the grand champion sweepstakes award and in addition the same sample will win the Grand Premier Commonwealth Trophy, valued at \$1,000. Besides this large amount, in qualifying for the sweepstakes and trophy the sample will have won several hundred dollars in cash and merchandise premiums, thus making it the largest amount ever offered in a grain or grass contest. This is certainly making money on corn—at least \$250 per ear, and according to the Omaha papers the announcement of such a prize has excited so much wonder among the business men that many declare their intention of renting a "patch" of ground next year and if money can buy good seed and give a crop of corn good care, jump in after some of the prizes. Until they heard of the prizes which the National Corn Exposition offered, they did not think it worth while to play with corn growing, but \$2500 is more than they win at the horse shows, golf tournaments and horse races.

**Land! Land! Land!**  
\$15.00 an acre buys land that will produce the very largest yield of all kinds of farm products, and will increase in value in the next ten years as fast as the land did in Oklahoma, that is now selling for from \$50.00 to \$75.00 per acre.  
The crops are elegant in the Panhandle where this land is located, and land sold on ten years time is in the reach of the man of moderate means, and some of our good citizens are taking advantage of it.  
Excursion dates: First and third Tuesdays in each month.

**Often The Kidneys Are  
Weakened by Over-Work.**

**Unhealthy Kidneys Make Impure Blood.**

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
