GUIDE ROCK.

The W. C. T. U. entertainment given by the local union Friday evening, August 28, at the opera house was a very pleasing one in every particular. First the audience sang America, led by a double quartet, after which Rev. G. W. Pool offered prayer. The quartets then sang again, and during the evening rendered five very pleasing selections. Miss Malissa Lambert gave a splendid impersonation. Ralph Hunter delivered a rousing oration on the subject of temperance. Both these young people were heartily applauded. Fourteen little girls and boys presented the play, The Sick Baby, each doing their part well. In this play a seemingly endless procession of neighbor women call to see how poor little "Jakey" is, each bringing and applying her favorite remedy until finally a dose of whiskey is given which nearly finishes the babe. Dr. True is called and gives them a plain talk condemning the custom of doping infants with liquor. Seven young ladies gave "A Lark at Nonatuck Hall," (scene at boarding school). The girls were having an evening spread on the sly. The climax was reached when the alcohol for burning in the chaffing dish could not be found. One of the girls saves the occasion by substituting the tonic of which one of the girls was always partaking. The oyster stew was cooked alright and the temperance lesson taught that nearly all patent medicine contains alcohol to a greater or less degree. There were many humorous situations and each girl carried her part well. The receipts of the evening were \$33.20. Proceeds above all expenses, \$20.65, goes to the state W. C. T. U. work.

Frank Howard is visiting in Denver. Robt. Garrison's new house is being completed with all possible speed.

Charles Hodges and family are home from a visit with relatives in Missouri. The W. C. T. U. will meet with Mrs. John Yung Wednesday afternoon, September 16.

Joe Britton is helping D. Jones at the hardware store during the absence of Frank Howard.

M. Lovitt has bought the corner lots across the street from I. W. Crary and is erecting a dwelling on them.

Robt. T. White is very ill at his home east of town. He was thought to be a little better Wednesday.

The Baptist ladies will spend the day next Thursday with Mrs. Frank Fisher at her pleasant country home.

Mrs. Andy Guy served the "coffee" for the M. E. Aid society Thursday afternoon. There was a very large attendance.

Mrs. Maude Lawrence of Omaha who has been the guest of her sister Mrs. C. F. Moranville, will return to her home Saturday.

Frank Taylor has a number of men at work remodeling the residence he recently purchased. It will be two stories high when completed.

Chas. Wehrley and wife have lost their little daughter by death. It was about ten months old and had never been well. The funeral was held Monday.

The Misses Watt gave a fine musical Wednesday evening at the opera house. Their pupils gave the first part of the program. The second part was given by the Misses Watt, who rendered instrumental and vocal duets and solos. Chas. Moore gave some selections on the saxophone accompanied by Miss Lou Watt on the piano.

WESTERN WEBSTER

L. Dalley and family visited Sunday at Ray Cochrane's.

Owen and Curtis Dalley leave this week for a visit in Missouri.

John Harvey threshed a field of oats last week that averaged seventy bushels per acre.

Most of the schools are starting up this week. Lone Tree school begins September 14.

Roy Rise and family of Fairbury, who have been visiting at Franklin, are visiting his sister, Mrs. O. B. Harvey.

Earl Harvey, who has been in Lincoln the past six weeks, has gone west on a three weeks trip through Denver, Pueblo and St. Joe with a show herd from Grand Island.

Word reaches us that Miss Hughena Broomfield, formerly of Inavale, now living near Stavely, Alberta, was married to Hume Linton of Parkland, Alta, September 9th.

The state fair visitors from this neighborhood are home and report the fair a success in every particular. The Webster county exhibit in Agricultural Hall was as good as any in the state, and the live stock display was especially good.

Clarence Burgess had a fine lot of fruit taken without leave the other day, and O. B. Harvey had a lot of grapes taken. This neighborhood needs an investigating committee or some police or something of that sort to protect farmers from thieves.

Fowler Beitler.

A very pretty wedding occurred at the home of Mr. and Mrs. Henry Fowler near Cowles Wednesday evening, September 9, 1908, when their daughter, Miss Mabel, was united in marriage to Mr. George Beitler in the presence of about forty relatives and friends.

At seven o'clock Miss Lottie Deakin took her place at the piano and played Lohengrin's wedding march. The bridal party entering the room took their places and Rev. Deakin of Cowles spoke the words that joined the lives of these young people. The bride was attended by her younger sister, Miss Blanche, and Mr. Claude Martin acted as groomsmen.

After congratulations the guests were ushered into the dining room where refreshments were served.

These young people are well and favorably known, having lived in this vicinity since childhood, and they were the recipients of many handsome and useful presents as a token of the esteem in which they are held. The happy couple will commence house-keeping on the groom's farm north of Cowles, where they will be at home to their many friends after October 1.

To Parents.

Owing to the fact that many of the boys and girls of Red Cloud are failing to comply with the compulsory school attendance law, the board of education has found it necessary to appoint a truant officer, whose duty it is to apprehend these delinquents and deliver them to the proper school authorities. In doing this the board and truant officer are only complying with the law, which reads as follows: Subdivision 16 Sec. 1.

In city school districts every person residing within such districts who has legal control of any child not less than 7 nor more than 16 years of age shall cause such child to attend the public day school for the full period each school year in which the public day school is in session.

Sec. 2 The Board of Education in cities shall appoint a truant officer who shall qualify as police officer and shall have authority to apprehend and take to the public school any child found in violation of this act.

The Alaska-Yukon-Pacific Exposition which is to be held at Seattle, Wash., from June 1 to October 13, 1909 has made more rapid progress toward completion than any other national exposition ever held in the United States. On August 1st, the management was able to estimate conservatively that the exposition was 65 per cent complete in its physical work. There yet remain ten months in which to put on finishing touches and the management is able to announce that without doubt the Exposition will be complete in every department on the day fixed for the formal opening. The Exposition Company is amply supplied with funds for completing its work. The capital stock of controlling corporation, fixed at \$800,000 has been fully subscribed and paid in, and the several counties of the State of Washington have contributed in the way of direct aid over \$200,000 more. Many counties will erect buildings of their own which will to a certain extent be pseudo exhibit buildings. The Exhibition will have ten large exhibit buildings, these are: Manufactures, Agriculture, Mines, Fisheries, Fine Arts, Machinery, Transportation, Oriental, European and Forestry. In addition, there will be the usual complement of private exhibit buildings, concession buildings, making a total of about one hundred buildings.
