Democrats Meet.

The biggest political gathering of the campaign was held in this city last Monday and Monday evening. The Bryan Marching Club and the Mary Bryan Club of 50 ladies had been arranging for this meeting for several days. Hon. Henry C. Warrum, of Indiana, the principal speaker, arrived on the early morning train and delivered two powerful speeches: one in the afternoon and the other in the evening at the opera house. His masterful presentation of the issues were attentively listened to by an interested audience. Hon. Fred Sheppard, of Lincoln, Nebraska, spoke for forty minutes on the character and home life of Mr. Bryan, and assured his auditors that he would receive nearly a solid vote from his neighbors. It is believed that Mr. Warrum's speech, i.e., his exposition of the workings of the present high protective tariff and his explanation of the Depositors Guarantee Bank law has caused a number of voters to think twice before they vote once, and it might truly be said of his speeches to be educational as well as interesting.

A regular program had been arranged by the committee and was to be a Bryan banner day, but owing to the high winds prevailing the large banner that was to be raised was deferred to some future day when the clubs will make another gala day for Red Cloud.

At 7:30 p. m., headed by the Citizens Cornet Band, a torchlight procession of several hundred of our citizens, formed a line of march on Fourth avenue and Main street, going north to Sixth avenue, turning west two blocks to Seward street, thence east to Main

street, going north on Main to opera house, where Captain Ward of the club formed the torch bearers in open platoon. The band, followed by the Mary Bryan club, marched into the opera house. The sight of so many people on our streets, the glare of the red lights, the hurraing for Bryan and Kera, and the general good feeling of all present was well worthy a city of more pretensions.

The High School Lecture Course.

The Red Cloud Lecture Course for this winter will be under the auspices of the High school, the proceeds to go towards a High school library.

Though called a lecture course it would be more properly named an entertainment course. The course consists of none but high grade attractions, in fact the best that could be secured in their respective lines. The attractions consist of the following: Elias Day and Oranne Truitt Day. The Vassar Girls. Fisher-Shipp Concert Company. Brush.

Though many have already subscribed for season tickets, many more have not yet been canvassed, and within a week or ten days a committee from the High school will call on you and we hope that the people of Red Cloud will give their hearty support to the High school students in making this course a success.

The Public Benefited

Rochester People Greatly Interested in the Generous Offer of The B. M. Hyde Co.

The people have already demonstrated that they would rather trust a man who is naturally honest, than one who was honest only because he had to be.

The B. M. Hyde Drug Co. have a firmly established reputation for square dealing and honesty. When they told the people that Rexall remedies are the purest and most dependable remedies that it is possible for modern science to produce, and that they would tell the public exactly what each one of these 300 remedies contained, and that they sold Rexall remedies on their own personal guarantee that they would give entire satisfaction or the medicine would not cost the user a single cent, they were believed.

Ever since this announcement the stores of The B. M. Hyde Drug Co. have been crowded by people buying Rexall remedies; all of which proves that The B. M. Hyde Drug Co. have the confidence of the people and that honesty is the best policy.

There is no "cure-all" among the Rexall remedies,—there are 300 different and separate medicines; one for each human ill, and each unquestionably the best of its kind.

Rexall Dyspepsia Tablets are particularly recommended for the positive cure of stomach irritation, indigestion and dyspepsia. They are rich in bismuth, subnitrate, pepsin and carminatives, and are prepared by a special process which perfects and enhances the great curative value of these well known medicinal agents. This remedy sells for 25c. a package. Everyone suffering from a stomach disorder should try Rexall Dyspepsia Tablets, inasmuch as they cost nothing if they do not satisfy.

The H. E. Grice Drug Co. are certainly fortunate in securing control of the sale of these remedies and we urge everyone in need of medicine to investigate and take advantage of their frank and generous offer.
