The College Boy, one of the best of recent comedy successes and for which Chas. Riggs and sons arrangers, will be the attraction at the Opera House on Friday the 15th "The College Boy" comes rather under the head of musical comedy and, unlike the majority, the music being interpolated, theatregoers will hear the very latest popular songs and those that are entirely new here. Rex Wilson has the title role, supported by the same favorites that have made the attraction so popular in the past. The stage settings and scenic adornment are complete and artistic. There is a convulsion of laughter in every line and a world of tuneful song in every act. There are vocal hits that will be whistled everywhere. The play is in three acts and is a scream from the rise to the fall of the curtain.
 Bert Garber left Monday night for Esbon for a few days visit before returning to his home at Red Cloud, Nebraska. Bert was one of those who feels that he escaped luckily from the fire Sunday morning. He was sleeping in the room just over the fire at the Palace Hotel and when awakened his room was all afire inside and the smoke nearly suffocated him before he could get out. He lost considerable clothing a valise and other property. The miracles performed at a fire are still in evidence. Bert Garber and Walter Sanford picked up the piano at the Palace Hotel and carried it out into the street and any other time it would have taken at least six men to have done this. The piano was very nearly all of the property that was saved from the hotel, Kensington, (Mirror) Kas.
 Grafton, Nebr., Jan. 4.—It has just developed that an attempt at criminal poisoning was made here. The intended victim being apparently Mrs. P. C. Moats. The attempt was made by placing poison in the family sugar bowl, Sunday evening the family partook of bread and milk which they sweetened with sugar from which was all right. Afterwards Mr. and Mrs. Moats went to church and their absence no doubt afforded an opportunity for some person with malicious intent and familiarity with the house and habits of the family to poison the sugar bowl Monday morning for breakfast Mr. Moats drank his coffee without sugar and was unharmed. Mrs. Moats seasoned hers with sugar from the bowl and in a very few minutes turned deathly sick and wanted to vomit, but could not. With rare presence of mind she thrust her finger down her throat and succeeded in vomiting freely. During the morning but after the poisoning, an envelope was discovered near the doorway upon which was written: "Mrs. Moats, your sugar bowl is poisoned; burn the sugar." Superior Journal.
 Mr. Moats and wife were former residents of this city. Mr. Moats was a barber at the Royal barber shop.

POSITIONS

The following is an Extract from a letter from the Civil Service Commissioner:

GENTLEMEN—

You will be pleased to learn that expert operators of the Gammeter Multigraph are included in the classified branch of the Civil Service.

The first examination to secure eligibles from which to fill positions in the Post Office Department and Geological Survey will be held January 9, 1909, under the conditions as outlined in the attached facsimile of notice sent out by the Civil Service Commission. Gammeter Multigraphs will be supplied by the Company free of charge, at the places of examination named in the circular.

Now then, young men and young women, you say that you would like to have one of these positions but you are not able to get it—**BUT YOU CAN!**

Here is what we are going to do for You:

To every young man and young woman who takes a scholarship in either the Shorthand or Commercial Department we will give a four weeks course in the Multigraph Department and wait till you complete the course and get a position before you pay.

Isn't this fair? Let us hear from you at once.

This offer will be open till January 15, 1909.

MILLIONS OF LIVES LOST
 The Awful Toll Collected by Consumption.

If people could only understand that Catarrh is an internal serofula—that nothing applied externally does much good—they would not need to be warned so often about this fatal disease, which, when neglected, invariably ends up in Consumption, at the cost of millions of lives every year. Yet Catarrh is easily cured if the right treatment is employed.

Catarrh is caused by germs in the blood which circulate throughout the entire system. External remedies give but temporary ease. Although the effects are often seen in the form of pimples, rash, eczema or dry scaly skin, the trouble is internal, and can never be cured by external remedies.

The only way to cure Catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is thoroughly medicated, soothed, disinfected of germ matter, and the soreness healed.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made Catarrh a specialty and whose record of success was a cure in every case where his treatment was followed as prescribed. That remedy is Rexall Mucic-Tone. We are so positive that it will cure Catarrh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails to cure or for any reason does not satisfy the user.

We want you to try Rexall Mucic-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Rexall Mucic-Tone in two sizes. The prices are

50c. and \$1. Very often the 50c. size effects a cure. Of course, in chronic cases a longer treatment is necessary. The average in such instances is three \$1.00 bottles. H. E. Grice, Drug Co. Red, Cloud Nebr.

To Whom It May Concern.

As my wife, Mina Beard, has left my bed and board I will not stand responsible for any debts contracted by her.

Pool Hall Changes Hands.

Monday morning, Art Myers bought the pool and billiard hall from John Havel and immediately took possession of the same. We have not learned what Mr. Havel will do in the future. We wish you success Art.

You May Need It

Ask your doctor about the wisdom of your keeping Ayer's Cherry Pectoral in the house, ready for colds, coughs, croup, bronchitis. If he says it's all right, then get a bottle of it.

Ayer's

Many a boy is called dull and stupid, when the whole trouble is due to a lazy liver. We firmly believe your own doctor will tell you that an occasional dose of Ayer's Pills will do such boys a great deal of good. They keep the liver active.
