R. B. Crowell died at his home south east of this city last Thursday evening. His death was caused by the accidental discharge of a gun while he and his brother were out hunting. He lingered for some time and it looked as though his wonderful vitality would come to his rescue but this was not sufficient to combat the terrible shock and he passed quietly into the great beyond. He was a member of the M. W. A. and I. O. O. F. and was held in high esteem by all his acquaintances.

RHEUMATISM CURED IN A DAY.
Dr. Detenphon's Relief for Rheumatism and Neuralgia radically cured in 1 to 3 days. It action upon the system is remarkable and mysterious. While at work last Saturday with a stalk cutter Emanuel Polniak had the misfortune to have his team run away with him. He had the lines wrapped around his body and the team in running away drew him in front of the stalk cutter injuring him seriously. As we go to press we learn that he is some better and there is hopes for his recovery.

W. H. Patten installed a handsome soda fountain in his restaurant this week. This fountain is one of the very best and latest manufactured. A handsome large mirror greets the visitor as he enters the door and add much to the attractiveness of the establishment. What most impressed us was the sanitary and clearly manner in which the ice is handled. The whole fountain is so constructed that the refreshments served will be absolutely clean and pure. Mr. Patten is to be congratulated on securing such a fine fountain.

Pianos at a Discount of 20 to 40 Per Cent.

When Lyon & Healy of Chicago started in to rebuild their big establishment the entire piano trade of the United States wondered what Lyon & Healy could do with their vast collection of fine instruments, for these were no cheap factory pianos, but pianos of makes of the highest reputation.

What Lyon & Healy have done is to mark pianos, hundreds of them, at a discount of 20 to 40 per cent. The response upon the part of the public is marvelous.

If you know the names of good standard makes of pianos and the prices always paid, you will need no second invitation to write to Lyon & Healy, 10 Adams street, Chicago, for lists and terms. For you can secure a genuine \$300 upright for \$180, or other bargains in proportion.

Lyon & Healy give their own guarantee with every one of these pianos. Nothing like this opportunity has ever been given to music teachers, students and music lovers heretofore.

A STARTLING STATEMENT

New York Medical Authorities Claim Dyspepsia Causes Consumption

The post mortem statistics of the big New York hospitals show that some cases of consumption are due to unchecked dyspepsia, especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain, the weakened, irritable stomach is unable to digest food, the body does not receive the required nourishment, constipation ensues and the victim becomes thin, weak and haggard. As a result, the body becomes a fertile field for the germs of disease to lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal diseases known to mankind.

Dyspepsia is curable if properly treated. The H. E. Grice Drug Co. sell a remedy which they positively guarantee will cure indigestion or dyspepsia or they will pay for all the medicine used during the trial. This remedy is an absolutely new medical discovery and has been named **REXALL DYSPEPSIA TABLETS**. Certainly no offer could be more fair, and the offer of the H. E. Grice Drug Co. is proof positive that **REXALL DYSPEPSIA TABLETS** are a dependable and infallible remedy. Inasmuch as the medicine will cost you nothing if it does not benefit you we urge you who are suffering with indigestion or dyspepsia to try this remedy. A 25c box of **REXALL DYSPEPSIA TABLETS** contains enough medicine for fifteen days' treatment. Remember **REXALL DYSPEPSIA TABLETS** are only sold in Red Cloud by the H. E. Grice Drug Co., Red Cloud, Neb.

Preparation of Seed Bed for Corn Planting.

One of the important duties on the farm for the month of April is the preparation of the seed bed for corn planting, which planting in Nebraska is usually commenced by the 20th of April, and finished by the 10th of May.

Probably the ideal seed bed for corn, in parts of the state where there is abundant moisture, would be an alfalfa field, plowed up in the fall, and left in its rough state through the winter; but alfalfa fields are yet too scarce in Nebraska for any great number of farmers to avail themselves of such an opportunity, and very many of our corn fields must necessarily be planted on land which bore a crop of corn last year. It is too late now, however, to dwell upon what should have been done last fall, so we will devote our attention to present season methods. If you are to use stubble ground for corn, or if your planting is to be on land which was in corn last year, thoroughly double disc and, on the corn land, disc across the field and then around it, or disc diagonally, so as to level up the land and cut up the old stalks and trash before plowing or listing.

In case of very heavy corn stalks, some farmers prefer to break the stalks down with a heavy harrow or railroad iron, rake into winrows and burn; but we believe that all plant food should be conserved, and by a little additional labor in using a stalk cutter before discing, plowing deep, and well firming the seed bed, which is made more possible from the discing before plowing, the fertility and capillary qualities of your land is conserved. One of the most important things to be avoided is "clods" which prevent the firming of the soil at the bottom of the furrow and deprives the plant from obtaining sufficient moisture.

When you plow, add an extra horse to your team, and attach one section of the harrow to follow on the newly

Tonic or Stimulant?

There is an immense difference between a tonic and a stimulant. Up one day, way back the next; that's a stimulant. Steady progress day by day toward perfect health; that's a tonic. Ayer's Sarsaparilla is a tonic, a strong tonic. The only Sarsaparilla entirely free from alcohol. Do not stimulate unless your doctor says so. He knows. Ask him. Do as he says. J.C. Ayer Co., Lowell, Mass.

Constipation is the one great cause of sick-headache, biliousness, indigestion, bad breath, debility, nervousness. Has your doctor ever recommended Ayer's Pills to you?

Woods Liver Medicine is a liver regulator which acts directly on this organ, invigorates and produces natural action. Brings quick relief to sick headache, constipation, biliousness and other symptoms of liver disorders. Particularly recommended for jaundice, chills, fever and malaria. The \$1 size contains 2½ times as much as the 50c size. Sold by Henry Cook.

This is the most dangerous time of the year to catch cold, and it is the hardest time to cure it. If you should take a cold, a few doses of Kennedy's Laxative Cough Syrup will act very promptly. Its laxative principle cures the cold by driving it from the system by a gentle but natural action of the bowels. Children especially like Kennedy's Laxative Cough Syrup, as it tastes so good, nearly like maple sugar. It is sold by all Druggists.
