## Eat What

You want of the food you need  
**Kodol will digest it.**

You need a sufficient amount of good wholesome food and more than this you need to fully digest it. Else you can't gain strength, nor can you strengthen your stomach if it is weak.

You must eat in order to live and maintain strength.

You must not diet, because the body requires that you eat a sufficient amount of food regularly.

But this food must be digested, and it must be digested thoroughly. When the stomach can't do it, you must take something that will help the stomach.

The proper way to do is to eat what you want, and let Kodol digest the food.

Nothing else can do this. When the stomach is weak it needs help; you must help it by giving it rest, and Kodol will do that.

We could not afford to make such an offer, unless we positively knew what Kodol will do for you. It would bankrupt us.

### Lincoln Base Ball Club--Dope Sheet.

May 24th, 1909  
 Pitcher Nagle, whom President Green, of the Lincoln Base ball club, recently purchased from Toledo for \$700 made his first appearance in the box at Lincoln on last Thursday against Topeka. He lost a fourteen inning game by a score of 2 to 1, but he held the Topeka team to six hits. Nagle is a great pitcher and is thoroughly finished. He accepted eleven fielding chances without an error. The Lincoln fans are unanimous in the opinion that he is a prize

The Lincoln base ball team is establishing a record for long games. Within eight days the team has played a seventeen inning game with Pueblo, a sixteen inning game with Denver, and a fourteen inning game with Topeka. This kind of ball has excited the patrons of the game in the capital city to a marked degree and the attendance has been big all the time.

This week the Lincoln base ball team sold three surplus pitchers. Hendrix, who was with the team last season, went to Peoria. Hockenbury, the young Aurora twirler, went to Burlington, and Rothermel, another youngster, went to Kewanee. This leaves five pitchers on the Lincoln roster. They are Jones, Johnson, Bonno, Karsten and Nagle. No other team in the league has so good a bunch of pitchers.

Johnson, the big Winnebago Indian pitcher of the Lincoln team pitched one of the best games of his career against Topeka last Friday. He held the Kansas lads to five hits and won his game handily by a score of three to one. A little more of this kind of work and Johnson will go to the big league next season.

A remarkable thing happened in the sixteen inning game which Lincoln played with Denver last week in Lincoln. Lincoln's first two runs were made on steals of home. Fox stole home from third in the first inning, and in the fifth inning Waldron again stole home. Old patrons of base ball say that they have never known two steals of home plate to happen by the same team in the same game. Lincoln plays Wichita on May 24, 25, 26 and 27; then goes away and does not return home until June 9th.
