Pitcher Nagle, whom the Lincoln Club bought from the Totedo American Association team, pitched for Lincoln against Sioux City last Friday after a lay-off of a few days with a bad arm. He held the Sioux City team to four hits and handily beat them by a score of 5 to 1. This performance stamps Nagle as one of the best pitchers in this league.

Thomas and Waldron, of the Lincoin base bali club, still continue their hard hitting for the week. Both are over the 300 mark and still clouding the ball. These men are also playing a good fielding game and it is a safe bet that the Lincoln management would not exchange them for any other puir in the league
