an ideal hair to be. That's because it's a perfect shampoo and hair's best friend. Shampoo the head with Sapogen, a perfumed green oil soap. Bay Rum is a final hair dressing after the shampoo.

Thin, dry, brittle or falling hair means there is some cause for such an unhealthy condition and that it should be attended to at once. The reason for scanty hair is because all the root shafts are not doing their duty and the reason for falling hair is because the scalp is in an unhealthy condition.

To correct these evils is a very simple matter. To make all the root shafts do their duty use—Cresline. To get the scalp in a healthy condition, Shampoo the head with Sapogen, a perfumed green oil soap. Bay Rum is a final hair dressing after the shampoo.
