

IT IS NOT A SAVING POLICY to go without insurance. The risk assumed is too great for the small premium you keep in your pocket. Figures say how many years you would have to be free from any fire in order to save the value of your house and contents. Then consider that you may have a fire this very night. The cost of such a little blaze will be more than the premium of

FIRE INSURANCE FOR YEARS
Better have me issue you a policy to-day. It's a whole lot better to be sure than sorry, as many an uninsured man has been.
