## Lydia E. Pinkham's Vegetable Compound

Vienna, W. Va. — "I feel that I owe the last ten years of my life to Lydia E. Pinkham's Vegetable Compound. Eleven years ago I was a walking shadow. I had been under the doctor's care but got no relief. My husband persuaded me to try Lydia E. Pinkham's Vegetable Compound and it worked like a charm. It relieved all my pains and misery. I advise all suffering women to take Lydia E. Pinkham's Vegetable Compound." — Mrs. EMMA WHEATON, Vienna, W. Va.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record for the largest number of actual cures of female diseases of any similar medicine in the country, and thousands of voluntary testimonials are on file in the Pinkham Laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every such suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

**If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.**

**A Hero.**  
Tommy's mother had made him a present of a toy shovel and sent him out in the sand lot to play with his baby brother. "Take care of baby now, Tommy, and don't let anything hurt him," was mamma's parting injunction.

Presently screams of anguish from baby sent the distracted parent flying to the sand lot. "For goodness' sake, Tommy, what has happened to the baby?" said she, trying to soothe the wailing infant.

"There was a naughty fly biting him on the top of his head, and I killed it with the shovel," was the proud reply.—Exchange.

**Father Was an Invalid.**  
It had been a hard day in the field, and father and son were very hungry. The only things eatable on the table were 12 very large apple dumplings. The father had consumed ten while the boy was eating one, and then both reached for the one remaining.

"Son," pleaded the farmer, "you wouldn't take the last apple dumpling from your poor sick pa, would you?"—Success Magazine.

**A Monument in the Snows.**  
The highest placed monument in the world is situated on La Cumbre, the summit of a pass in the Andes, and marks the frontier of the Chilean and Argentine republics. It stands at an altitude of 12,796 feet above the sea level, and for awe-inspiring grandeur its surroundings would be hard to match.—Wide World Magazine.

There are men who divide most of their time between patting themselves on the back and kicking themselves.

**CAREFUL DOCTOR**  
Prescribed Change of Food Instead of Drugs.

It takes considerable courage for a doctor to deliberately prescribe only food for a despairing patient, instead of resorting to the usual list of medicines.

There are some truly scientific physicians among the present generation who recognize and treat conditions as they are and should be treated regardless of the value to their pockets. Here's an instance:

"Four years ago I was taken with severe gastritis and nothing would stay on my stomach, so that I was on the verge of starvation.

"I heard of a doctor who had a summer cottage near me—a specialist from N. Y., and as a last hope, sent for him.

"After he examined me carefully he advised me to try a small quantity of Grape-Nuts at first, then as my stomach became stronger to eat more.

"I kept at it, and gradually got so I could eat and digest three teaspoonfuls. Then I began to have color in my face, memory became clear, where before everything seemed a blank. My limbs got stronger and I could walk. So I steadily recovered.

"Now, after a year on Grape-Nuts I weigh 153 lbs. My people were surprised at the way I grew fleshy and strong on this food."

## Paul's Story of His Life

Sunday School Lesson for Nov. 21, 1909  
Specially Arranged for This Paper

**LESSON TEXT.**—Cor. 11:23-24, 12:1-10  
Memory Verse, 24: 25.  
**GOLDEN TEXT.**—"He said unto me, My grace is sufficient for thee, for my strength is made perfect in weakness."—2 Cor. 12:9.

**TIME.**—Autumn of A. D. 51 to late in 52 or early in 53.  
**PLACE.**—In Macedonia, where the Second Epistle to the Corinthians was written.

**Suggestion and Practical Thought.**  
1. The church in Corinth was very young, not seven years old, from the first coming of Paul, who remained with them only a year and a half. Since that time they had grown in numbers with but little outside help from Paul and those who represented him.

2. The young church was surrounded by intense worldliness, and heathen immoralities and principles, which were like an intense moral malarial, an unhealthy atmosphere.

3. There was in the city a considerable colony of Jews who were opposed to the whole Christian movement.

4. An anti-Pauline mission of Christian Jews from Palestine came to Corinth with views opposed to Paul's teachings concerning the Gentiles, and insisted that all Gentile Christians should conform to the Jewish ritual.

5. Cases of immorality had arisen in the church for which Paul had been compelled to reprove them.

6. There were divisions among them, one being for Peter, another for Paul, and another for Christ, as if all were not for Christ.

7. There were attacks upon Paul's character and authority.

8. Speaking of those who claimed to be the real leaders and apostles, and who condemned him, Paul says: "Are they Hebrews," of purest blood, one of the nation and language?"

"So am I."  
"Are they Israelites," of the true religion, worshipping the one God?"

"So am I."  
"Are they the seed of Abraham," inheritors of the promises, of the Messianic hopes, and the kingdom of God?"

"So am I."  
24. "Five times received I forty stripes save one" from the Jews. None are mentioned in the Acts. The Jews were forbidden to inflict more than forty stripes (Deut. 25:3), and lest they should break the law by a mistake in counting they inflicted only thirty-nine.

25. "Thrice was I beaten with rods." Once mentioned in Acts 16:22. A similar instance is given by Cicero against Verres, V. 62.

"Once was I stoned." At Lystra (Acts 14:19). Stoning was planned once before at Iconium, but the plan was not carried out (Acts 14:5).

Two.—The second test of apostleship—12:1-6. Vision, Insight, Communion with God. Realization of the spiritual. Paul's second answer to objectors is that he has a right to speak in the name of God; for though he had not seen Jesus in the flesh, he had seen eternal things, he had received revelations from God.

2. "I know" (better "I know") "a man in Christ." That he is referring to himself is proved by v. 7; and the whole argument implies it. How it came, he could not tell, but he knew the fact, "caught up to the third heaven," beyond the visible heaven, "to the highest heaven where the throne of God is," to Paradise, the abode of the just, and of the angels. Whatever place it may have been, it was into the inmost spiritual realities.

Note the several visions which are recorded in the Acts from this vision of Jesus at his conversion, to his vision in the storm on the way to Rome. In his letter to the Galatians (1:11, 12) Paul declares:

"I certify you, brethren, that the Gospel which was preached of me is not after man.

"For I neither received it of man, neither was I taught it, but by the revelation of Jesus Christ."

Something of this vision, of this communion of God with our spirits, of this realization of heaven and its life, of this insight into spiritual truths, is necessary to our best usefulness and our highest life.

### DIFFERENT.

Mr. Wholesale (indignantly)—What's that? You say the cash is not correct. I always thought that bookkeeper was a rascal, and was robbing me.

Expert Accountant—The cash is \$50 over, sir.

Mr. Wholesale—O, well, just give me that and say nothing to him about it. Perhaps he's forgotten to draw some of his salary.

### SKIN TROUBLES CURED.

Two Little Girls Had Eczema Very Badly—in One Case Child's Hair Came Out and Left Bare Patches.

Cuticura Met with Great Success.

"I have two little girls who have been troubled very badly with eczema. One of them had it on her lower limbs. I did everything that I could bear for her, but it did not give in until warm weather, when it seemingly subsided. The next winter when it became cold the eczema started again and also in her head where it would take the hair out and leave bare patches. At the same time her arms were sore the whole length of them. I took her to a physician, but the child grew worse all the time. Her sister's arms were also affected. I began using Cuticura Remedies, and by the time the second lot was used their skin was soft and smooth. Mrs. Charles Baker, Albion, Me., Sept. 21, '08."

### STRANGE COMPANY.

The Goose—How times change, to be sure. I have never seen the fox such good friends with a duck before.

### GOING UP!

City ways were not altogether new to him, but as he waited at the elevator shaft, in one of Omaha's large office buildings, he said to his companions.

"Well, I'll be hanged if that isn't a beauty."

"Why, what?"

"Just look at that confounded railroad advertising on an Omaha elevator—UP! What won't they do next?"

His companion replied, "Sh—, Sh—, those letters mean 'up.'"

When I see that word, this jingle always comes to my mind:

"Whenever the little word 'up' you see,  
Think of Safety, Speed, Service via U. P."

You will see that word at almost every passenger elevator in the country, but before you leave for the West, be sure to buy your ticket via "The Safe Road to Travel."

### Suspicious.

The father of Judge W. H. Wadhams had a chicken-coop and a dog and a stable hand. It began to look to Mr. Wadhams as though some one had discovered the combination. So he kept the coop and the stable hand, but he got a new dog. Next day the bent old negro who groomed the Wadhams' horses came to him. "You lost your affection for me, boss?" he asked.

"No, Scipio," said Mr. Wadhams. "I like you as well as ever." "Then," said Scipio, peevishly, "w'ynt you tie Old Rover in de chicken-coop, 'stid of dat new dog?"

## A TRAIN LOAD OF TOBACCO.

Twenty-four Carloads Purchased for Lewis' Single Binder Cigar Factory.

What is probably the biggest lot of all fancy grade tobaccos held by any factory in the United States has just been purchased by Frank P. Lewis, of Peoria, for the manufacture of Lewis' Single Binder Cigars. The lot will make twenty-four carloads, and is selected from what is considered by experts to be the finest crop raised in many years. The purchase of tobacco is sufficient to last the factory more than two years. An extra price was paid for the selection. Smokers of Lewis' Single Binder Cigars will appreciate this tobacco.

## A Lay Matter.

"Would you like the floors in mosaic?" asked the architect.

The Springfield man looked dubious.

"Would you like the floors in mosaic patterns?"

"I don't know so much about that," he finally said. "I ain't got any prejudice against Moses as a man, and maybe he knew a lot about the law. As regards laying of floors, though, I kinder think I'd rather have 'em unsectarian."—Harper's Weekly.

## Undoubtedly Not.

Capt. Jerome, while visiting Col. Higginson, took a derring-dog from the table, and asked: "This thing loaded?" But before the colonel could reply the weapon was discharged, the bullet tearing away one of the fingers of the visitor. The colonel, who is widely known on account of his extreme politeness, bowed gracefully, and rejoined: "Not now, my dear captain."

## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give you Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circular free.

## Chloroform Zoo Animals.

The practice of cutting the claws of the more ferocious animals of the London zoological garden has recently been greatly facilitated by chloroforming the animals. Heretofore it was done by sheer force by a squad of men, the animal being first secured by ropes.

The next time you feel that swallowing sensation, the sure sign of sore throat, gargle Hamlin's Wizard Oil immediately with three parts water. It will save you days and perhaps weeks of misery.

## Philosophy.

Billy—Ma, does it do you any good to spank me?  
Mother—No, my son; it hurts me to do it.

Billy—Then don't you think it's rather foolish to be hurting the two of us and not benefiting any one?

## Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Bilio-sis, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.
