IT IS NOT A SAYING POLICY

To go without insurance. The risk assumed is too great for the small premium you keep in your pocket. Figure out how many years you would have to be free from any fire in order to save the value of your house and contents. Then consider that you may have a fire this very night. The cost of even a little blaze will be more than the premium of

By simply applying something to give temporary relief will not cure piles. You must use a good, reliable, dependable remedy that is made expressly for piles. Manzan, the great pile remedy, reaches all parts affected; it heals and soothes; it prevents constipation and reduces the swelling. It acts promptly. Manzan is applied by means of a small nozzle attached to the tube in which Manzan is put up. Sold by Henry Cook.

When you have a cold the first thing to do is have the bowels move. Do not take anything that may constipate and most old-fashioned cough cures do constipate. Try Kennedy's Laxative Cough Syrup. It drives the cold from the system by a free yet gentle action of the bowels; it stops the cough; it is pleasant to take. Children like it. Sold by all druggists.

The Family Reading Problem. To find reading that satisfies one's craving for the bright and attractive, and is at the same time perfectly suitable for impressionable young people, is at times difficult. The best magazines are admittedly published for mature readers only. The Youth's Companion alone is for all the family. While the editors keep in mind the eager desire of the young for tales of action, enterprise and adventure, these stories in The Companion are so well written as to fascinate men and women in all stages of life's journey. And this is true not only of the fiction in The Companion, but of the entire contents. The articles, by famous writers, convey knowledge that is useful to the wisest and most experienced as well as to the immature. In short, The Companion solves the reading problem for the entire family. It is entertaining and it is "worth while." Every new subscriber will find it of special advantage to send at once the \$1.75 for the new 1910 volume. Not only does he get the beautiful "Venedictian" calendar for 1910, lithographed in thirteen colors and gold, but all the issues of The Companion for the remaining weeks of 1909, from the time the subscription is received.
