 THE ONLY DEMOCRATIC PAPER IN
 WEBSTER COUNTY

Forty out of 92 counties of Nebraska now have women superintendents. At this rate of invasion it won't be many years till the ladies have captured them all

Prof. Hicks must again acknowledge his misprophecy given last August on the Chautauqua platform in regard to the minimum amount of precipitation during the remainder of the year. It would have been all right but the warm weather and the heavy rains came without any previous arrangement and hence interfered with the prognostication

Most of our stores now have their Christmas goods unpacked and ready for sale. Just a word to customers. Buy your presents early and early in the day. You will be doing a twofold service if you follow this injunction. One is you will save the clerks, and the other is you are apt to get better value. Many people in their endeavor to find the most fitting present will wait till the last day in the afternoon and then expect to see every stock in town before they make up their minds what to buy. Our advice is buy now and get what you want and don't compel the clerks to work unceasingly for 16 hours a day during Christmas week.

The Hemingford Journal asks its merchants and citizens generally to give information as to how the city might or could be improved. What a wonderful impetus to public spirit would this simple request give if every person would avail himself of the opportunity to contribute this portion of service. Why should not the citizen who owes his living, his protection, his schooling, to a certain municipality give a little thought about bettering or advancing that municipality? The editor may be depended upon to do his part but for the love of country don't let him do it all. And say, if the idea is good for Hemingford it is good for Red Cloud. Now don't wait for the whole house to fall before you get busy

We have had a chat with the oldest inhabitant, or to be exact we have had a long conversation with the venerable gentleman regarding the present weather conditions. We received considerable valuable information. In length of duration, considering the time of the year, this shady weather has all records broken since the invasion of the buffalo. It never happened so long before and therefore it is a reliable index as to what the remainder of the weather will be. First, there will certainly be a Merry Christmas and a New Year. Second, at some time during the winter a heavy frost is sure to come solidifying the present moisture, existing either in a free state or housed up within the confines of the soil. Third, it would not be safe to make any more serious predictions as complications might arrive unforeseen by present penetration and upset all established theories. We expressed our appreciation as strongly as we were able and promised the old gentleman to call again.

Rev. George O. Yeiser.

Rev. George O. Yeiser was born in the state of Kentucky on the 4th day of December 1825. There he grew to manhood and about 1860 began preaching the Gospel, remaining there until 1875 when he came to Ashland, Neb., where he served the Baptist church one year as pastor thence coming to Red Cloud in 1876 and serving the newly organized Baptist church for a number of years as pastor. (1878 to 1883.) Afterward becoming pastor at Guide Rock where he preached for about 7 years.

He was County Judge of Webster county for two terms and also served for a number of years with great efficiency upon the Board of Education in this city.

He rendered conspicuous service in the development of the country, and probably as much as any individual citizen contributed to the enlargement of the city, sharing with others the scant praise of a benefitted citizenship when all was prosperous, and meeting with courtly dignity the disfavor of some, when drought and disaster had unsettled conditions and caused the wisest plans to fail.

He will be best remembered for his religious work; wise, calm, thoughtful, always instructive in his public ministrations, he wrought well in difficult fields and compelled the admiration of those who differed with him, because of the absolute honesty of his convictions of duty, and the ingenueness of his conduct in public affairs.

He died as he had lived, serene and confident. He knew whom he believed and was persuaded that he was able to

keep that which he had committed to Him again that day of inquisition to which all must come.

His departure occurred at Fremont, Neb., on the 24th day of November 1909 at 10 o'clock a. m. His age being nearly 84 years.

He leaves 5 sons and 1 daughter, 2 children and his beloved wife having gone before him to be with Christ.

Servant of God well done.
 Rest from thy loved employ;
 The battle fought, the victory won,
 Enter thy Master's joy.

The funeral was held at the Christian church, the Baptist house of worship being too small, and was attended by a very large concourse of the older people of the community. The discourse at the request of the deceased was delivered by Rev. I. W. Edson and was a very pronounced tribute of respect to the departed citizen and minister.

Ward-McCall.

On Thanksgiving day, at the home of Mr and Mrs. T. J. Ward, 1835 So 11th Street Lincoln, occurred the marriage of their daughter, Frances E. to Mr. Rex O. McCall of Red Cloud. The beautiful ceremony being pronounced by Dr. A. J. Northup of Trinity M. E. church. The bride was attired in her "go away" gown of dove colored panama with a pretty waist of Persian silk and lace, and carried a shower bouquet of white carnations. The marriage was solemnized at high noon after which all sat down to a table prettily adorned with white chrysanthemums and fern and were served a regulation Thanksgiving dinner. A large number of very nice presents were received even from unexpected sources, all of which are highly valued by the bride and groom. Those present beside the immediate family were, Dr. and Mrs. Ward of Omaha, Mr. R. D. Austin McCook, the Misses Nora and Mary McCall of Red Cloud and Miss Bertha Calkins of Lincoln. Mr. and Mrs. McCall departed on an early train for Omaha and will be at home to their friends after December 15th at Mr. McCall's farm near Red Cloud. We extend to the new Mr. and Mrs. McCall the glad hand and wish for them all the joys incident to matrimonial bliss.

That Stranger.

Considerable excitement was caused Sunday night at Robinson's restaurant by the erratic manner of a well dressed lady. After eating her supper she called for a newspaper reporter stating she had some important information to give. Our Mac, who is always the right man in the right place, was present and stepped forward to attend the wishes of the lady. Slowly and with careful choice of her language she dictated a story of her tribulations. Among other experiences she stated that she had been an inmate of an insane institution. After reading her dictated statement to the public she signed her name. She took a team for Lebanon at seven o'clock. The unfortunate lady, who appeared to be about 45 years is well known in Lebanon and has been insane at intervals for some time. The Smith county officers detained her waiting for news from Kansas City as to whether she had given the asylum folks the slip or had been discharged.

SCHOOL NOTES

(BY WHISPERING SMITH)
 Grace Leonard is absent from school on account of sickness.

The rainy weather has caused several absences among the out-of-town pupils, lately!

The foot ball boys returned from Oberlin, Kas., looking as though they didn't enjoy their Thanksgiving turkey? The score was 33 to 0 in favor of Oberlin.

After a long and undisturbed slumber the Literary Society has awakened and will show its smiling face, Friday evening at the High school building. The pupils, no doubt, will take an active interest in the society and will hold interesting and beneficial meetings throughout the year. The Sophomores, Juniors and the Seniors are spending a part of each day in becoming more familiar with Parliamentary Laws, which will be necessary in carrying out the programs.

ADDITIONAL LOCALS

Mrs. Roy Rife went to Denver Monday.

Ed. Walters was down from Oxford over Thanksgiving.

It will pay you to read the Christmas adds of our merchants in the Chief this week.

Grant Turner's little girl won first prize in the baby contest and the little Fulton baby was second at the Tepee.

The Ladies of the Christain church will serve a chicken pie dinner and supper in the Woodman Hall Saturday December 18th in connection with their bazar.

As just as we are going to press we learn of the death of the little seven week's old baby girl of Mr. and Mrs. Fred Smith, who live in Garfield township. It died Wednesday afternoon of whopping cough and pneumonia. The funeral took place this afternoon at 2:30 o'clock.

A Remedy from a Famous Beauty Specialist to Women Lacking in Energy and Vitality.

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in sallow, muddy complexion, dark circled eyes, general weakness of the system, and perhaps most plainly in the weeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mme. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucuo-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucuo-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucuo-Tone, they will praise as I do its strengthening and healing qualities."

Rexall Mucuo-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which causes local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. We know that Rexall Mucuo-Tone does relieve catarrh. We positively guarantee to refund the money paid us for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexions. Price 50 cents and \$1 per bottle. Mail orders filled. It may be obtained only at our store.—The Rexall Store, The H. E. Grice Drug Co., Red Cloud, Neb.
