**YOUR HEALTH!**

Would seem to demand that you read what Ambrose L. Ranney, A. M. M. D., late professor of Anatomy, New York Hospital, says:

"Eye-strain may, and often does, cause chronic and intractable disturbances of the stomach. Chronic intestinal and gastric disturbances may be and often are, companions in graver disturbances of the nervous system, due to eye-strain.

Our glasses are made to relieve eyestrain.
