The County Sunday School Convention will be held at Cowles on 5 and 6 of March. The sessions will be held in the M. E. church, and we are given a hearty welcome, and the interest shown at this date promises the best convention we have ever had. Every Sunday School in the county should have at least one delegate in attendance. Rev. Chas. H. Lewis, the State General Secretary, is well posted on the Adult Department of the school and will be ready to answer all your questions. His "Better Engines and Hotter Fires," will stir you to do bigger and better things. You will want a delegate from the Adult Department in your school to hear him. His "Heart of a Boy" will be helpful to solution of the boy problem. Miss Margaret F. Brown, the State Elementary Superintendent, presents the work with the children in her own charming and convincing way. Her "Little People, Big Plans, and Proven Possibilities" will make you want to be a teacher of Little People. You must have a delegate from the teachers of children.
