**CHAS. L. COTTING, THE DRUGGIST.**

The New England play "Uncle Dan" will be produced at the Opera House one night Wednesday March 23rd. This charming and wholesome novel proved one of the most widely read and admired stories ever published in this country. When Barney McCauley first brought out the play so strong was the impression he produced that he was compelled to play it for several seasons. The simple story and its fine character contrasts have made it a play replete with those elements which establish popular success, leaving a most pleasing impression, at its conclusion. It is plays of this kind which best please the general public and "Uncle Dan" is meeting with wonderful success everywhere.

"The Passion Play" is enacted this year at Oberammergau, Bavaria. The "Passion Week" of our Lord comes annually. The church must suffer with him if she expects to reign with him. "The Battle field of Evil and Eternal Good," 7:30 p. m. "The Divinity of Jesus of Nazareth shown by His Wisdom." Easter day March 27th, 11 a. m. "The Stone Rolled Away," 7:30 p. m. "The Divinity of Jesus Christ Confirmed by His Resurrection." The latest evidences on divinity in man will also be presented. Hear them at the Christian church. Good music. Seats free. Everybody welcome.

**Free If It Fails**  
Your Money Back if You are Not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of the world's greatest research chemists. As an active agent it possesses the valuable qualities of the best known intestinal tonics as well as being particularly pleasant and prompt in its results.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. They come in two sizes of packages, 12 tablets, 10 cents; 36 tablets, 25 cents. Sold in Red Cloud only at our store.—The Rexall Store. The H. E. Grice Drug Co.
